THE USE OF THE NATIONAL TENNIS RATING PROGRAM AND NTRP COMPUTER RATINGS IN THE USTA LEAGUE

The National Tennis Rating Program (NTRP) is the official system for determining the levels of competition for the USTA League. The USTA NTRP Computer Rating System assigns ratings based on play in the local league and at championships and select NTRP tournaments.

1. The National Tennis Rating Program (NTRP) Guidelines define the characteristics of the various NTRP skill levels.
2. The USTA NTRP Computer Rating System is the official system to determine computer ratings for players throughout the country who participate in the USTA League. It is a mathematical system that assigns computer ratings to players by direct and indirect comparison of match results obtained from the USTA League and select NTRP tournaments.
3. A valid NTRP rating level is in effect for two years for individuals 60 years of age and older prior to, or during, the League Year and for three years for all others, or until another valid NTRP rating level is generated. (See *Valid NTRP Computer Ratings Table* – inside back cover)
4. Players with a valid NTRP rating level must enter at that rating or higher. (See *Valid NTRP Computer Ratings Table* – inside back cover)
5. Players in the USTA League without a valid computer rating must self-rate in accordance with the *General & Experienced Guidelines – Supplement to the NTRP Guidelines*. Factors such as a player's on-court performance, tennis background, and any additional information should be considered in the self-rating decision. When players are rating themselves, if they question at which level they should play, they should place themselves in the higher NTRP level of play.

Note: Players who are good athletes or intend to spend a great deal of time taking lessons and practicing should be aware that their improvement may be significant enough to surpass their original self-rating during the local league season or championship play. To avoid NTRP Dynamic Disqualification, these players should enter at a higher level of play at the beginning of the local league season.

6. In the USTA League Adult Division, dynamic ratings will be calculated at regular intervals for all participants during local league competition, at the end of the local league season, and either during, or at the end of, District/Area through Sectional Championships.
7. At the USTA League Adult Division National Championships, players will continue to generate dynamic ratings through their last match played but, there will be no NTRP Dynamic Disqualifications at National Championships.
8. After the USTA League Adult Division National Championships, year-end NTRP published levels will be calculated using USTA NTRP Computer Rating System Procedures approved by the USTA League Committee.
9. In the USTA League Mixed Division, an NTRP level will be calculated for participants who play in that Division exclusively. Year-end ratings will be based on the final dynamic rating generated from local league and championship level competition unless the player has a valid computer (C) or benchmark (B) rating from a previous year.

USTA LEAGUE

MAJOR REGULATION CHANGES FOR 2013

The USTA League Program has been restructured and will be implemented in 2013. It is composed of two Divisions: Adult and Mixed. The age groups for play at the National Level have been changed, are now called "League Types," and include 18 & Over, 40 & Over, and 55 & Over for the Adult Division and 18 & Over for the Mixed Division. Details of the restructure are found below [Regulation 1.04A USTA League Program](#) in the table titled *USTA League Program Organization at the National Level*.

1.02A Waiver of Regulations and Procedures Prohibited: Amends language to comply with the USTA Bylaws. Grievance and Grievance Appeal Committees were deleted as they are not intended parties of this Regulation. "Sanctions" was changed to "penalties" here and throughout Regulations as "penalties" is more inclusive.

1.04C(2) Official Score Reporting and Standings System: Establishes a 48 hour deadline for scores to be initially entered into TennisLink after the completion of a match if a Section does not have a deadline established.

1.04D(6) Two Team Leagues: Exempts the 55 & Over League Type that uses combined NTRP rating levels from the 60% rule as it cannot be applied when using combined levels.

1.05 Official Ball: Clarifies that a standard Type 2 USTA approved ball must be used in USTA League matches and that any USTA "transition" ball is prohibited.

2.01A NTRP Levels of Play:

- Changes 5.0 NTRP level to 5.0 Plus (+) NTRP level in Adult Division, 18 & Over League Type and changes 4.5 NTRP level to 4.5 Plus (+) NTRP level in Adult Division, 40 & Over League Type.

- Allows all Plus (+) NTRP level team rosters to include up to two players from the next higher NTRP level.

- Requires Plus (+) players to always play in the #1 position, either #1S or #1D.

- Allows only one Plus (+) player to compete in a team match when the Plus (+) NTRP level utilizes only three individual matches within a team match.

- Allows two Plus (+) players to compete in a team match when the Plus (+) NTRP level utilizes four or more individual matches within a team match.

2.03A(3) Matches Required to Advance: Requires players in the 55 & Over League Type to meet the same match requirements to advance to all championship levels below Nationals as players in the 18 & Over and 40 & Over League Types.

2.05B(3): Moves from the Q&A to the Regulations the three options for Sections that begin league play prior to January 1 of the year in which they progress to the National Championships. The options are in reference to players who are found to have year-end computer ratings that place them above the NTRP level at which they began to play in their Early Start League.

2.05E: Players 70 and Over Promoted: Changes "promoted at year-end" to "promoted" to allow these players to appeal their Early Start Rating for play in Early Start Leagues as well as their year-end rating.

2.06A: Move-Up/Split-Up:

- Requires 55 & Over League Type to comply with this Regulation.

- Adds "or lower NTRP level" to prevent more than three (two for 2.5 and 5.0+) National Championship rostered team members from any team, or combination of teams, to combine and form a new team at the same or lower NTRP level. NOTE: This will apply to 2012 National Championship teams in the Adult and Mixed Doubles Divisions whose players combine to form new teams in the 2013 Adult 18 & Over and Mixed 18 & Over League Types. For 2013 ONLY, this will not apply to new teams that form in the Adult 40 & Over and Adult 55 & Over League Types.

2.07 Championship Benchmarks: Clarifies that local, flight and sub-flight benchmarks are appealable.

3.03A(2) and 3.03A(4): Adds a one year time limit to filing an Administrative or National League Grievance.

3.03A(3): Requires that any grievance against a Sectional League Coordinator be filed in writing with the Sectional League Committee, provides that the decision of the Section League Committee is final and binding, and sets a one year time limit for filing such a grievance.

3.03A(7): Deletes the Grievance and Grievance Appeal Committees from this Regulation to prevent them from filing a Grievance and therefore prevent them from becoming a party to a grievance.

3.03D(2): Clarifies that a Grievance Committee may apply a penalty against any party to the grievance even if the grievance was not filed against such party, as long as the party has the opportunity to review and present evidence.

3.03E(1)a: Combines two previous Regulations into one and clarifies that:

- If an NTRP Grievance is upheld, the NTRP Grievance Committee shall disqualify the player and adjust the disqualified player's NTRP rating level for both an "inaccurate" and "inappropriate" self-rating.

- Scoring of matches of the disqualified player for both an "inaccurate" and "inappropriate" self-rating, per Reg. 3.03E(6), shall be administered in accordance with Reg. 3.03B(4) and Reg. 3.03C(4).

- The NTRP Grievance Committee may additionally impose other penalties against the player only if he/she has an "inappropriate" self-rating.

- The NTRP Grievance Committee may also impose penalties against a captain or others who assisted, condoned or acted on behalf of the player who has an "inappropriate" self-rating.

Terms "inaccurate self-rating", "inappropriate self-rating" and "willful intent" are defined in the Glossary

3.04A(4)b: Clarifies that if a grievance was dismissed or denied by the Grievance Committee and then appealed, the parties may play during the appeal process but must understand that the Grievance Appeal Committee may remand a decision of the Grievance Committee for reconsideration and that during the reconsideration, the original Grievance Committee decision may be reversed and penalties imposed. "Remand" is defined in the Glossary.

3.04B(3): Clarifies that the Grievance Appeal Committee has the authority to "remand for cause" a decision of the Grievance Committee. Also clarifies that a "harsher penalty" means if no penalty is imposed by the Grievance Committee, the Grievance Appeal Committee may not impose a penalty but may, for cause, remand the matter to the original Grievance Committee or a new Grievance Committee for reconsideration.

A player without a valid NTRP rating level in TennisLink, a returning player with an expired NTRP rating level and a Tournament Exclusive (T) rated player or a Mixed Exclusive (M) rated player who does not have a valid computer (C) or benchmark (B) rating from a previous year and chooses to participate in the Adult Division, must self-rate to enter the USTA League Program. A player with a valid NTRP rating level in TennisLink must use that rating to enter the USTA League Program as shown in the following table:

NTRP RATING LEVELS FOR ENTRY INTO LEAGUE PLAY		
DIVISION	LEAGUE TYPE	PLAYER NTRP RATING LEVEL
Adult	18 & Over <u>40 & Over</u> <u>55 & Over, Straight NTRP Levels</u>	Current NTRP level and/or up to one level above the player's current NTRP level. <u>The 18 & Over 5.0+ and 40 & Over 4.5+ levels may have up to two players from the next higher NTRP level on a team roster.</u>
	<u>55 & Over, Combined NTRP Levels</u>	Combined NTRP levels of partners shall not exceed team NTRP level. NTRP difference between partners shall not exceed 1.0.
Mixed	18 & Over, Straight NTRP Levels	Current NTRP level and/or up to one level above the player's current NTRP level.
	18 & Over Combined NTRP Levels	Combined NTRP levels of partners shall not exceed team NTRP level. NTRP difference between partners shall not exceed 1.0.

1.04F(1)a Players entering the USTA League are defined as having a valid NTRP rating level on file in TennisLink or as a new/returning player without a valid NTRP rating level. Rating levels are derived in accordance with the USTA NTRP Computer Rating System Procedures. Once a player is assigned a valid Computer (C) or Benchmark (B) NTRP rating level, it is valid for the Adult and Mixed Divisions for all players 59 years of age and under for three consecutive years or until another NTRP published level is generated. For players 60 years of age and over, a valid Computer (C) or Benchmark (B) NTRP rating level is valid to play in the Adult and Mixed Divisions for two consecutive years or until another NTRP published level is generated. (See Reg.1.04F(1)b and *Valid NTRP Computer Ratings Table* – inside back cover).

1.04F(1)b Mixed results will not be part of generating a player's year-end rating, except for those players who participate in the Mixed Division exclusively. A player who plays in the Mixed Division exclusively will receive a published Mixed Exclusive (M) NTRP rating level at year-end unless they have a valid computer (C) or benchmark (B) rating from a previous year on file in TennisLink. A published (M) NTRP rating level is valid to play in the Mixed Division exclusively and will be in effect for players 59 years of age and under for three consecutive years and for players 60 years or older for two consecutive years or until another NTRP published level is generated. A player who plays exclusively in the Mixed Division and subsequently chooses to participate in the Adult Division must enter by using a valid computer (C) or benchmark (B) rating from a previous year. If such player does not have a valid (C) or (B) rating from a previous year, he or she must self-rate with the minimum rating being the higher of the self-rating or valid Mixed Exclusive (M) rating.

1.04F(1)c A player who plays exclusively in NTRP tournaments and subsequently chooses to participate in the Adult Division must enter that Division by using a valid computer (C) or benchmark (B) rating from a previous year. If such player does not have a valid (C) or (B) rating from a previous year, he or she must self-rate with the minimum rating being the higher of the self-rating or valid Tournament Exclusive (T) rating.

1.04F(1)d Players who do not have a valid NTRP rating level on file in TennisLink shall self-rate in accordance with the *General & Experienced Player Guidelines – Supplement to the NTRP Guidelines* and complete the self-rating process on TennisLink when registering for a team. Failure to self-rate in accordance with the *Guidelines*, or omission of information regarding a player's tennis history, will subject the player as well as the captain and/or others who completed, assisted, condoned and/or approved an **inappropriate** self-rating to **penalties** and **suspension**. Players who self-rate **inaccurately or inappropriately** shall be disqualified (See Reg. 3.03E(1)a).

1.04F(1)e Self-ratings are valid for two years from the date issued or until replaced by a dynamic or computer rating.

1.04F(1)f TennisLink will automatically remove expired computer and self-ratings thereby allowing individuals to self-rate. Players with expired ratings will not be allowed to self-rate at a lower level than their last valid NTRP rating. However, when assigned an NTRP rating by TennisLink, the player will have the opportunity to file a Self-Rate Appeal.

1.04F(1)g Each Sectional Association shall designate a committee to handle Self-Rate Appeals for those who appeal their assigned self-rating. This committee shall consist of no less than three persons, including a chair. This committee may be the same, in whole or part, as the Sectional League Grievance Committee that handles NTRP Grievances. All decisions regarding Self-Rate Appeals shall be made by majority vote and are final and binding. (See *General & Experienced Player Guidelines – Supplement to the NTRP Guidelines*.)

1.04F(1)h **Valid NTRP Computer Ratings:** (See *Valid NTRP Computer Ratings Table* – inside back cover).

1.04G Player Participation.

1.04G(1) League players may play in the USTA League Adult and Mixed Divisions during the same local league season.

1.04G(2) A player may play on only one team in an NTRP level within a **League Type** in the same local league during the same season. In local leagues where NTRP levels are divided into flights, a player may not play in more than one flight.

1.04G(3) A player may play on more than one team in an NTRP level within a **League Type** in the same season provided it is in separate local leagues. The Section has the authority to accept or deny participation.

1.04G(4) A Section may authorize participation in more than one NTRP level within a **League Type** in the same local league during the same season.

1.04G(5) A player may play up to one NTRP level above the player's current NTRP level.

1.04G(6) A player who qualifies to advance to championships on more than one team may be required by the Section to choose which team he or she will represent.

1.04G(7) At any National Championship, if a player qualifies for two or more teams at the same NTRP level for an event, the individual must declare which team he or she will represent. In the absence of a declaration, the first match played will determine which team he or she will represent.

1.04G(8) A player may participate in only one individual match within each team match.

1.05 OFFICIAL BALL. In USTA League matches, a standard Type 2 USTA approved ball shall be used. The use of any USTA "transition" ball is prohibited.

2.00 USTA LEAGUE REGULATIONS

All USTA League Regulations in 1.00 GENERAL, 3.00 GRIEVANCE PROCEDURES and the following Regulations in this section shall apply to USTA League Adult and Mixed Divisions except for Reg. 2.04 NTRP DYNAMIC DISQUALIFICATION AND REVIEW PROCEDURES which shall apply only to the USTA League Adult Division.

2.01 LOCAL COMPETITION.

2.01A NTRP Levels of Play.

2.01A(1) When using straight NTRP levels, a player cannot have an NTRP rating higher than the NTRP level in which the player is competing **except in the 5.0+ NTRP level of the Adult Division, 18 & Over and in the 4.5+ NTRP level of the Adult Division, 40 & Over. All plus (+) level team rosters may include up to two players from the next higher NTRP level.**

2.01A(1)a In Plus (+) NTRP levels utilizing three individual matches within a team match, no more than one Plus (+) level player shall be allowed to play in a team match and shall be required to play in the #1 position, either singles or doubles.

2.01A(1)b In Plus (+) NTRP levels utilizing four or more individual matches within a team match, two Plus (+) level players may play in a team match and shall be required to play in the #1 position, either separately in the #1 singles and #1 doubles positions or together in the #1 doubles position.

2.01A(2) When using combined NTRP levels, the combined NTRP rating levels of the doubles team cannot exceed the combined NTRP level in which the players are competing.

2.01A(3) The NTRP difference between members of an individual doubles team may not exceed 1.0.

2.01A(4) USTA League NTRP levels are in accordance with the table below:

2.03N Scoring of Retirements. In case of a retirement, for the purpose of determining standings, the non-retiring player/doubles team shall be credited with such number of additional games as would have been won if the match was completed and the non-retiring player/doubles team won every subsequent game. For NTRP computer data entry in TennisLink, mark as *retired* and submit actual scores of match at the point of retirement.

2.04 NTRP DYNAMIC DISQUALIFICATION AND REVIEW PROCEDURES.

2.04A Applicability. The Regulations in this section are applicable only to the USTA League Adult Division.

2.04B NTRP Dynamic Disqualification Procedures. Dynamic ratings will be calculated for all Adult Division players during local league competition and at every level of championship competition below National Championships to determine if any players have reached the NTRP Dynamic Disqualification criteria stated in the USTA NTRP Computer Rating System Procedures. Players subject to NTRP Dynamic Disqualification, as described in the *NTRP Dynamic Disqualification Table* – inside back cover, will be dynamically disqualified if they reach the disqualification level three times based on all matches except retirements received. An NTRP dynamically disqualified player becomes a benchmark.

2.04B(1) Local League NTRP Dynamic Disqualification. Players who are NTRP dynamically disqualified will be notified by the Sectional League Coordinator or designee and have the right to a review in accordance with the procedures in Reg. 2.04C – *NTRP Dynamic Disqualification Review Procedures*.

2.04B(2) Championships NTRP Dynamic Disqualification. There will be no NTRP Dynamic Disqualifications at National Championships. Players who are NTRP dynamically disqualified at any championship below Nationals will be notified by the Sectional League Coordinator or designee and have the right to a review in accordance with procedures in Reg. 2.04C *NTRP Dynamic Disqualification Review Procedures*. The Section shall choose one of the following options for NTRP Dynamic Disqualifications at each Sectional Championship and below:

Through the conclusion of the championship event, notify and disqualify any player who meets the criteria for NTRP Dynamic Disqualification and reverse appropriate matches played. (See Regs. 2.04E(2)a and b for championship scoring procedures when NTRP Dynamic Disqualifications are done throughout the championship competition.)

2.04B(2)b Run dynamic calculations following the conclusion of the championship and disqualify those players who meet the criteria for NTRP Dynamic Disqualification. Matches played will stand. (See Reg. 2.04E(2)c for championship scoring procedures when NTRP Dynamic Disqualifications are done following the conclusion of championship competition.)

2.04B(3) Following an NTRP Dynamic Disqualification, the player may not play at the disqualified NTRP level of play or any lower NTRP level of play in either singles or doubles for the remainder of the championship year and for the succeeding championship year. In any Division using combined levels, the combined NTRP rating of the

disqualified player and partner may not surpass the level of competition. A player who has been moved up as a result of an NTRP Dynamic Disqualification in the Adult Division must immediately adjust his/her NTRP level of play in the Mixed Division.

2.04B(4) Players who are NTRP dynamically disqualified may be allowed to move up and participate on another team at a higher NTRP level during that same local league season provided registration has not closed.

2.04B(5) In the local leagues and at District/Area or Sectional Championships, if the NTRP Dynamic Disqualification of a player is not upheld by the NTRP Dynamic Disqualification Review Committee, a second NTRP Dynamic Disqualification will be considered if warranted by additional data.

2.04C NTRP Dynamic Disqualification Review Procedures. Reviews are based solely on missing or incorrect [data](#).

2.04C(1) Local. If the team captain or the player disqualified in the local league desires a review of the NTRP Dynamic Disqualification, a written request must be submitted to the Sectional League Coordinator or designee asking for a review before the NTRP Dynamic Disqualification Review Committee of the nearest jurisdiction, within the deadline set by the administrator. The written request for a review shall be delivered by the recipient to the Chair of the NTRP Dynamic Disqualification Review Committee. A review shall be held as soon as reasonable.

2.04C(2) Championship. If the team captain or the player disqualified during or after the conclusion of championship competition desires a review of the disqualification, a written request must be submitted to the Tournament Director, Sectional League Coordinator or designee, asking for a review before the NTRP Dynamic Disqualification Review Committee of the nearest available jurisdiction within the deadline set by the Chair of the Championships Committee or designee. The written request for a review shall be delivered by the recipient to the Chair of the NTRP Dynamic Disqualification Review Committee. A review shall be held as soon as reasonable.

2.04D NTRP Dynamic Disqualification Review Committees.

2.04D(1) NTRP Dynamic Disqualification Review Committees may be appointed in the local league and at District/Area and Sectional Championships to consider reviews to NTRP Dynamic Disqualification. Each committee shall be appointed with the approval of the Sectional League Coordinator.

2.04D(2) The members of any NTRP Dynamic Disqualification Review Committee may be the same as, or different in whole or in part from, the members of any other Local, District/Area or Sectional Committees.

2.04E(1) Local. In the event of an NTRP Dynamic Disqualification from a particular level of play, the Section shall determine and publish in its regulations what matches, if any, shall be considered losses. The disqualified matches shall be considered 6-0, 6-0 wins for the opposing player or doubles team.

2.04E(2) Championship.

2.04E(2)a NTRP Dynamic Disqualification Done Throughout Championship Competition When Using a Round Robin Format or Segment. If the Section chooses to calculate dynamic ratings and disqualify throughout the championship, all matches played by a dynamically disqualified player shall be considered losses and those matches shall be considered 6-0, 6-0 wins for the opposing player or doubles team.

2.04E(2)b NTRP Dynamic Disqualification Done Throughout Championship Competition When Using a Single Elimination or Segment. If the Section chooses to calculate dynamic ratings and disqualify throughout the championship, the last individual match played by a dynamically disqualified player shall be considered a loss and that individual match shall be considered a 6-0, 6-0 win for the opposing player or doubles team.

2.04E(2)c NTRP Dynamic Disqualification Done Following Conclusion of Championship Competition. If the Section chooses to calculate dynamic ratings and disqualify following the conclusion of the championship, all points earned by dynamically disqualified players at the championship will stand but the disqualified players will not be allowed to continue or advance.

2.05B(3)a Players who are found to have valid computer ratings, after the appeal process, that place them above the NTRP level at which they are competing shall be moved to that new NTRP level. Prior team matches played are valid.

2.05B(3)b Players who are found to have valid computer ratings, after the appeal process, that place them above the NTRP level at which they are competing may continue their participation at the lower NTRP level UNLESS their year-end rating reached the clearly above level mark. If it did, they must adjust to that new NTRP level. Prior team matches played are valid.

2.05B(3)c Players who are found to have valid computer ratings, after the appeal process, that place them above the NTRP level at which they are competing may continue their participation at the lower NTRP level through the conclusion of any Early Start League in progress or until such other date as determined by the Section. They shall not be permitted to advance to any championship level. Prior team matches played are valid.

If said Committee deems the medical appeal should have further consideration, it will be forwarded to the National Medical Appeal Committee for a final decision.

2.05D(3) The decision of the Section designated Medical Review Committee shall be by majority vote.

2.05D(4) The Chair of the USTA League Committee shall appoint a National Medical Appeal Committee to evaluate all medical appeals forwarded from the Sectional Associations. The Committee shall consist of at least three persons, one of whom shall serve as chair. This appeal must be submitted to the Sectional League Coordinator or designee.

2.06 MOVE-UP/SPLIT-UP.

2.06A National Championship Teams. National Championship rostered team members, and members of teams that qualify to advance to National Championships, but do not participate, may move up one level as a team or must disperse to form new teams in accordance with the table below. 3.03B(4) Scoring of Eligibility Disqualification in Local League.

3.03B(4)a In the event of an eligibility disqualification during the local league season and up to 24 hours after the end of the local league season, all matches played by the disqualified player shall be considered defaults and those matches shall be considered wins for the opposing players or doubles teams and scored 6-0, 6-0 for determining standings. In case of an eligibility disqualification in single elimination, the last individual match played by the disqualified player shall be considered a win for the opposing player or doubles team and scored 6-0, 6-0 for determining standings. If a double disqualification results in a tie, the local tiebreak procedure shall be used to determine the winner of the team match. If no such local tiebreak procedure exists, use Reg. 2.03H *Procedures in the Event of a Tie*, in order to determine a winner of that team match.

3.03B(4)b In the event of an eligibility disqualification after the conclusion of the local league season by more than 24 hours, the team will remain eligible to participate and retain points received up to the disqualification, but the ineligible player will not be allowed to continue or advance.

3.03C(4)c Eligibility Disqualification That Occurs During a Championship Event When Using a Single Elimination Format or Segment. In case of a disqualification in single elimination format during the championship event, the player will not be allowed to continue or advance on that team and the last individual match played by the player shall be considered a win for the opposing player or doubles team and scored 6-0, 6-0 for determining standings. If a double disqualification results in a tie, the tiebreak procedure shall be the same as in Reg. 2.03H *Procedures in the Event of a Tie*, in order to determine a winner of that team match.

3.03D(3) The USTA League Grievance Committee shall prepare a written decision setting forth the basis for its decision and the deadline for any written appeal and promptly deliver copies to the parties involved.

3.03D(4) The decision of the USTA League Grievance Committee shall be by majority vote.

3.03E NTRP Grievances.

3.03E(1) Players Subject to NTRP Grievances.

3.03E(1)a Any self-rated player who is playing at an NTRP level lower than his/her actual skill level is subject to an NTRP Grievance. If an NTRP Grievance Committee determines that the self-rated player has an inaccurate or inappropriate self-rating, the player shall be disqualified and have his/her NTRP level adjusted by the NTRP Grievance Committee. Scoring of matches played by the disqualified player, per Reg. 3.03E(6), shall be administered in accordance with Reg. 3.03B(4) Scoring of Eligibility Disqualification in Local League and Reg. 3.03C(4) Scoring of Eligibility Disqualification for Championships. The NTRP Grievance Committee may additionally impose other penalties against a player who has inappropriately self-rated, including suspension. 3.03E(1)b A player with a valid NTRP Computer (C) rating, or Benchmark (B) rating or granted an Automatic Appeal (A) rating of a Computer (C) rating is not subject to an NTRP Grievance. Players 70 and over who are promoted and granted an appeal per Reg. 2.05E are also not subject to an NTRP Grievance. Any other player is subject to an NTRP Grievance including players who entered an Early Start League at an NTRP level lower than their current year-end rating and players with granted Medical Appeals.

3.03E(3) NTRP Grievances may be filed against a player at any time up to 48 hours after the conclusion of the Sectional Championship of the player's team, whether or not the player participated. NTRP Grievances will not be accepted at National Championships.

3.03E(4) Local League Competition. NTRP Grievances shall be filed in writing with the Local/District/Area League Coordinator or designee having jurisdiction. NTRP Grievances shall be administered by the Sectional League NTRP Grievance Committee of the player against whom the NTRP Grievance was filed.

3.03E(5) Championship Competition. NTRP Grievances shall be filed in writing with the duly appointed site director or designee having jurisdiction. NTRP Grievances shall be administered by the Sectional League NTRP Grievance Committee of the player against whom the NTRP Grievance was filed. Each Section shall have the option to adjudicate NTRP Grievances prior to, during or after a championship event.

3.03E(6) NTRP Grievance disqualifications occur when the Sectional League NTRP Grievance Committee reaches such decision and sends notification to the parties involved. The date and time that the Sectional League NTRP Grievance Committee sends notification controls the assessment of penalties, including the scoring of matches, which shall be administered in accordance with USTA League Regulations 3.03B(4) *Scoring of Eligibility Disqualification in Local League* and 3.03C(4) *Scoring of Eligibility Disqualification for Championships*.

3.03E(7) The Sectional League NTRP Grievance Committee decision may be appealed in accordance with USTA League Regulation 3.04 GRIEVANCE APPEALS.

3.04A(4) Play During Grievance Appeal Procedures.

3.04A(4)a If the grievance was upheld, the individual is subject to all penalties imposed by the Grievance Committee during the appeal process.

3.04A(4)b If the grievance was dismissed or denied and appealed, the party(ies) may participate during the appeal process, but must understand that the decision of the Grievance Committee may be remanded for reconsideration.

3.04B Grievance Appeal Committee Action.

3.04B(1) The Grievance Appeal Committee shall not be required to hold any hearing except as provided in Reg. 3.04B(2). Its decision may be based entirely on the findings of fact by the Grievance Committee whose decision is being appealed and on the facts and arguments submitted in writing by the party(ies) to the appeal.

3.04B(2) If the Grievance Committee did not hold a hearing, the Grievance Appeal Committee shall do so, provided any party involved in the grievance so requests in writing. However, the committee may hear such further evidence as it, in its absolute discretion, deems appropriate.

3.04B(3) The Grievance Appeal Committee shall have the power to affirm, modify, remand for cause, or reject the decision of the Grievance Committee. The Grievance Appeal Committee shall not impose a harsher penalty. For the purpose of clarification, should the Grievance Committee elect to not impose a penalty, the Grievance Appeal Committee may not impose a penalty; however, the Grievance Appeal Committee may, for cause, remand the matter to the original Grievance Committee or a new Grievance Committee for reconsideration.

3.04B(4) A copy of the Grievance Appeal Committee's written decision setting forth the basis of its decision shall be promptly sent to all interested parties and such decisions shall be final and binding. The following exception shall apply: any individual or team suspended by any Local, District/Area, or Sectional Grievance Appeal Committee for a period of 12 months or more may appeal the final decision of the Grievance Appeal Committee to the National League Grievance Appeal Committee within the deadline established by the Grievance Appeal Committee. The administration may not appeal the decision of the Grievance Appeal Committee.

3.04B(5) The decision of the Grievance Appeal Committee shall be by majority vote.

3.04C National League Grievance Appeal Committee Action.

3.04C(1) The National League Grievance Appeal Committee shall hear appeals from individuals/teams suspended for a period of 12

months or more by a Local, District/Area, or Sectional League Grievance Appeal Committee. Upon receipt of an appeal of the decision of the Grievance Appeal Committee, the National League Grievance Appeal Committee shall act promptly to resolve the appeal.

3.04C(2) The National League Grievance Appeal Committee shall have the power to conduct such investigation as deemed necessary and to affirm, modify, remand for cause or reject the decision of the Grievance Appeal Committee, but may not impose a harsher penalty (see Reg. 3.04B(3)). However, the National League Grievance Appeal Committee may, for cause, remand the matter to the original Grievance Committee or a new Grievance Committee for reconsideration.

3.04C(3) A copy of the National League Grievance Appeal Committee's written decision setting forth the basis of its decision shall be promptly sent to all interested parties including the Grievance Appeal Committee. Such decision shall be final and binding.

NTRP DYNAMIC DISQUALIFICATION

Each NTRP Level is followed by a letter indicating the type of rating. The following identifies who can and cannot be NTRP dynamically disqualified.

Who *cannot* be NTRP dynamically disqualified?

NTRP Level followed by the letter below:

- | | |
|----------|--------------------------|
| C | Computer Rated Players * |
| B | Benchmark Players * |

* Players who entered an Early Start League at an NTRP Level lower than their current year-end rating are subject to NTRP dynamic disqualification.

- | | |
|----------|----------------------------|
| M | Mixed Exclusive Players ** |
| T | Tournament Players ** |

** Year-end (M) and (T) rated players are required to self-rate to enter the Adult Division, automatically become (S) rated players and therefore become subject to NTRP dynamic disqualification.

Who *can* be NTRP dynamically disqualified?

Participants in the Adult Division:

NTRP Level followed by the letter below:

- | | |
|----------|-----------------------------------------------------------------------------------|
| A | Appealed – all granted appeals including Medical and Players 70 and Over Promoted |
| S | Self-rated Players |
| D | Dynamic or NTRP Grievance Disqualified |
| E | Dynamic rated Players for Early Start Leagues |
| C | Exceptions to C year-end ratings as noted above * |
| B | Exceptions to B year-end ratings as noted above * |

Players participating in the Adult Division who are promoted as a result of NTRP dynamic disqualification will be immediately required to participate at their new NTRP level in all USTA League Programs

VALID NTRP COMPUTER RATINGS FOR 2013

2013 League Year	Players who are 59 years or under during the 2013 League Year will have their most current computer rating displayed in TennisLink. They must self-rate if their NTRP rating is older than 3 years. <u>*Exception: A player who receives a published (M) or (T) rating and chooses to participate in the Adult Division will be required to self-rate even if the (M) or (T) rating is less than 3 years old.</u> X indicates the years of valid computer rating in TennisLink.		
	Players who will be 60 years or older during the 2013 League Year will have their most current computer rating displayed in TennisLink. They must self-rate if their NTRP rating is older than 2 years. <u>*Exception: A player who receives a published (M) or (T) rating and chooses to participate in the Adult Division will be required to self-rate even if the (M) or (T) rating is less than 2 years old.</u> X indicates the years of valid computer rating in TennisLink.		
	Last Year Computer Rating Received	2010	2011
Age 59 or Under during 2013 League Year	X	X	X
Age 60 or Over during 2013 League Year		X	X
TennisLink will automatically remove expired computer and self-ratings thereby allowing individuals to self-rate. Players with expired ratings will not be allowed to self-rate at a lower level than their last valid NTRP rating. However, they will have the opportunity to file a self-rate appeal of the rating assigned.			
Computer ratings are valid based on the above table.			
Self-ratings are valid for 2 years from the date issued or until replaced by a dynamic or computer rating.
