Car Transportation

Active Main Draw players and past US Open Singles Champions have access to VIP car transportation with vehicles provided by Mercedes-Benz USA. Car transportation for Main Draw players will begin Wednesday, August 21. Champions Invitational participants have limited access Monday, September 2 - Sunday, September 8. Wheelchair Competition participants have limited access beginning Monday, September 2, with airport pick-ups, and full access Tuesday, September 3 - Sunday, September 8. **Transportation is provided between the USTA Billie Jean King National Tennis Center and the player's hotel/local residence only, provided the location is within a 15-mile radius of the USTA Billie Jean King National Tennis Center (see map).**

Reservations are required for car transportation and must be made by calling the Transportation Office at 718.760.6300 between 8:00 am - 11:00 pm. Players are encouraged to make car reservations as early as possible, especially if transportation is requested between 7:00 - 11:00 am the following day. Reservation priority is given to players with matches that day and seeded players still competing in the tournament. Prearranged transportation to and from LaGuardia, JFK and Newark Liberty airports is available for Main Draw, Champions Invitational and Wheelchair Competition participants as well as past US Open Singles Champions. Airport service is available to/from these three New York-area airports only. Reservations for airport pick ups can be made starting Monday, August 19, and at least 24 hours prior notice is required.

Please direct any questions regarding car transportation to the Tournament Desk in the lobby of each tournament hotel which is staffed from 8:00 am - 6:00 pm.

Car transportation for players will remain "one player, one car" whenever possible, and requires the player be one of the passengers in the car. **Players may be accompanied by a maximum of three (3) guests.** Since car transportation reservations require at least two (2) hours notice and service is provided based on availability, players and their credentialed guests are encouraged to take advantage of the regularly scheduled shuttle bus service whenever possible.

Please note: The US Open provides car transportation service to a select number of special guests. This privilege is extended by the management of the US Open at its sole discretion, and not by the transportation staff. These special guests are (1) expected to utilize the car transportation service to augment their use of the regularly scheduled shuttle bus service, and (2) required to make reservations well in advance (24-hour advance bookings are highly encouraged). Players will always receive priority in the reservation system that allocates car assignments. All reservations must be made through the Transportation Reservations Desk at 718.760.6300.
