USTA SPECIALS

UNITED STATES TENNIS ASSOCIATION

This is wishing you all a Happy Holiday Season and to say thanks for your support over the years. For the Holiday's we are offering you some specials on non-officiating items that have not in the past been available to you. I also want to tell you that we do have a new shirt in progress – unfortunately with a new material their production has been slowed their arrival more then was hoped or expected. The good news is that they should be here for delivery right after the first of the year. The colors, design, moisture management, antibacterial, and UV qualities will all still be a part of the shirt – and – they will be available in Men's and Women's sizes. We will be sending out a notice when these shirts have arrived and are available to be shipped.

There are a number of items that have very limited supplies – these are marked with an asterisk * Logo's can be placed on the left front chest or the left sleeve – you will need to designate the location when ordering. These are not available online – you need to call 888-468-3284 (9am-5pm EST) or e-mail jerjones@honigs.com
