Welcome

On behalf of the United States Tennis Association (USTA), it is a privilege and honor to welcome you to the 2006 USTA Jr. Team Tennis National Championships. These events feature the very best elements of tennis—spirited competition, friendship, achievement, sportsmanship, and fun—and provide the players with what may be a once-in-a-lifetime experience.

Marking the culmination of a year-long series of competitions at the local, state/district, and section levels, the National Championships serve as the crown jewel of USTA Jr. Team Tennis. They showcase the nation’s top teams competing for the right to call themselves national champions in the 14 & Under and the 18 & Under categories, in both the Advanced Division and—for the first time ever—the Intermediate Division.

Without the support, commitment, and enthusiasm of all 17 USTA Section Coordinators and countless districts/state and local providers, the USTA Jr. Team Tennis National Championships would not exist. Special thanks go to the people who work behind the scenes to make these events memorable for the players: the tournament and facility staff, sponsors, volunteers, and, of course, the dedicated family members and friends offering support and encouragement to the players.

I wish you all the best. Good luck and have fun!

Marikate Murren
Jr. Team Tennis National Manager, USTA

Quick Facts

- USTA Jr. Team Tennis is a program of team practices and match play for girls and boys, ages 6 to 18, who want to play tennis on a team. It accommodates all skill levels.
- USTA Jr. Team Tennis can be played anywhere—in parks, schools, commercial clubs, etc. It uses formats that are easy to administer by an individual in a local community.
- Teams are organized using the National Tennis Rating Program (NTRP) to match players of similar ability. They compete against teams from the same geographic region in one of four age divisions: 10 & Under, 12 & Under, 14 & Under, and 18 & Under.
- The team concept emphasizes fun, fitness, and friends. The focus is on enjoying exercise and refining the skills that make tennis fun for all ages and all skill levels.

Fun Facts on Bob & Mike

- Mike is two minutes older than his twin brother, Bob.
- Both of their parents, Wayne and Kathy, teach tennis and began teaching their sons at age two. Wayne is a lawyer, musician, and tennis instructor who is involved in various ATP Kids’ Days and Clinics on tour. Kathy (formerly Blake) is a former player on the professional women’s circuit and played at Wimbledon four times, reaching the mixed doubles final in 1965.
- During their days as junior players, Mike and Bob were forbidden to play each other in a tournament. If they were scheduled to play each other, they would take turns defaulting the match.
- Off the court, Mike and Bob enjoy playing basketball and music. They have their own band, called the Bryan Bros. Band, which consists of Mike on the drums (and, occasionally, guitar), Bob on the keyboards, and their father on the guitar.
- Mike and Bob are sponsored by Adidas, Oakley, Wilson, Countrywide, Manhattan Automobile Company, and Technifibre. Their official website is: www.bobandmike.com.
- Bryan Brothers to Promote USTA Jr. Team Tennis

Bob and Mike Bryan, the No. 1 doubles team in the world, have committed to promote grassroots tennis through participation in a marketing and advertising campaign, and by making promotional appearances during the next two years.

“We grew up playing tennis together as a team,” said Bob Bryan. “USTA Jr. Team Tennis is a great way to excite young people about the game and to teach them fun it is to play with a group.”

“Sharing the excitement and social benefits of tennis with others is one of my favorite aspects of the sport,” said Mike Bryan. “Bob and I are thrilled to lend our support to the USTA Jr. Team Tennis program and the USTA, which does a great job of bringing more young people into the game.”

“USTA Jr. Team Tennis is a wonderful way to introduce young people to the fun, social benefits of tennis,” said Kurt Kamperman, Chief Executive, Community Tennis, USTA. “The Bryan brothers are wonderful role models on and off the court, and we’re proud to have their support.”
