

Greenville Jr. Team Tennis (GJTT) Volunteer Information

Name: _____

Email address: _____

Phone: (h) _____ (c) _____ (w) _____

GJTT is growing and in need of dedicated volunteers who are excited about teaching and encouraging kids in the game of tennis. Junior teams are lead by team coaches and team captains. Coaches conduct team practices and help with tennis fundamentals and strategy. Captains organize match play and communicate information to players and parents. Teams are formed out of public and private clubs, neighborhoods, recreation facilities, as well as local private, public, charter and home-schools. In addition to team coaches and captains, GJTT needs volunteers who are willing to use their talents and experience to help administer the program.

If you are interested in volunteering with GJTT, please answer the following questions:

1. Are you a tennis player? If so, please list your NTRP rating (if known) and if you are a member of a tennis facility in the Greenville area. Also, list any league or team play experience.

2. Do you enjoy working with children? If so, list which age-range you feel most comfortable with.

3. Have you ever taught tennis before? (If yes, specify teaching children and/or adults)

4. Circle the skills or talents that you would be available to help with in our program:

Administration/Organization Marketing Historian Fundraising

UPTA Foundation Liaison Event Planning Awards/Recognition

Please return completed forms to Ashlyn Cousins, 10 Coach Lane, Simpsonville, SC 29681 or email answers to Coordinator@GreenvilleJTT.com.
