

4.0 Low Eligibility List - Men
2016 League Year – Fall/Winter (September 2015 – December 2015)

The 4.0 Low league is a 4.0-rated league designed for players rated in the bottom half of the 4.0 (or lower) level. A 4.0-related player carries a dynamic rating that is 3.51 - 4.00.

Your name will be on the 4.0 Low Eligibility List if:

- You are a 4.0-rated player and your dynamic rating (which you cannot see!) is between 3.51 – 3.80.
- You played in at least 3 USTA adult league matches on or after March 11, 2015

Your name will NOT be on the 4.0 Low Eligibility List if:

- You are a 4.0-rated player and your dynamic rating is 3.81 or above.
- You are a 3.5-rated player or below (or 4.5 and higher).
- You are a 4.0-rated player but did NOT play in at least 3 USTA Atlanta adult league matches since March 11, 2015

If you are a 4.0-rated player and your name is NOT on the 4.0 Low Eligibility List, then you may NOT register for a 4.0 Low team without first confirming eligibility by emailing edrosa@ustageorgia.com.

The computer will not prevent you from registering since the computer only checks to see if you are a 4.0 player. However, the 4.0 Low teams are checked by USTA Atlanta weekly for eligibility and “illegal” players will be immediately removed from a 4.0 Low roster. **Refunds will not be given to ineligible players who register to a low level team.**
