January 2013

Greetings Iowa District Tennis Members,

This past year, I was asked to serve again as Iowa District President, and did so. My previous terms were 1991-1994, and 1997-1998. I would like to say that this will definitely be my last term. That being said, quite a few changes have occurred, including three National logos, the most recent, a shield, above. In addition, computers have entered every phase of the sport: for rankings, for ratings (NTRP), for websites, and for publications, among other facets of this gem, the USTA.

My goals are as follows:

- To find and secure my replacement
- To encourage play
- To encourage volunteerism within the organization
- To expand communication among members

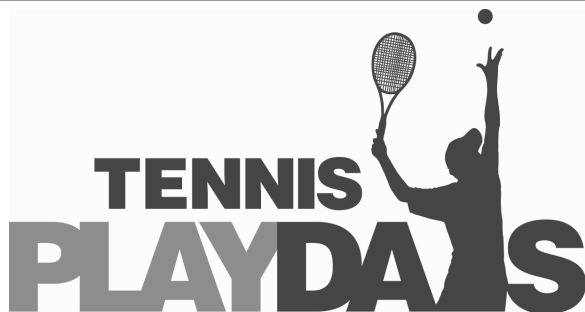

I would hope that tennis, which is growing nationally, will also grow in Iowa. Please call or e-mail me and other ITA officials (that information is on a separate page) if you have questions or suggestions, and if possible try to attend the annual and semi-annual meetings to familiarize yourself with the organization and the processes, and to become involved in some way.

Yours in tennis,

Kevin Nebergall

IOWA DISTRICT TENNIS HALL OF FAME

The appointed Hall of Fame Committee gathers, accepts, or procures nominations and supporting data regarding candidates and evaluates the merits of each. At the fall meeting of the Iowa Tennis Association, the Committee presents its recommendation for new members, if any. A secret ballot by those entitled to vote at the meeting determines whether or not the recommended candidate(s) is/are approved. Approval by 50%+ of eligible voters at the meeting is required for selection to the Hall of Fame.

SELECTION CRITERIA --- GUIDELINES

It seems appropriate to select 1, 2, or 3 nominees each year, although special circumstances might dictate none or 4+ on special occasions.

The ITA Hall of Fame is meant to honor those few individuals who have made outstanding contributions to tennis in the Iowa District. They may have contributed as administrators, players, directors, coaches, or by other forms of service, and over a comparatively long period of time.

We recognize good players with annual rankings and Player of the Year awards. A Hall of Fame player would be unusually talented and successful over a long period of time.

We make a group of annual awards to honor special achievements in specific categories such as Adult Player, Junior Player, Recreational Player, Family, Facility, Tournament, Official, Community Service, and Outstanding Contribution to Iowa Tennis.

The Hall of Fame takes note of special qualities of leadership, longevity, wisdom, etc. Being an officer of the ITA is valuable service to tennis and may be a factor, but should not be considered an automatic road to selection.

The Committee is expected to consider persons of various ages, varying periods of activity, a variety of types of service, and from all areas of the state. This summary of criteria should be published periodically in the Iowa Net News.

Proper recognition of a selection should be given at the spring meeting of the ITA or at an appropriate event in the selectee's home area.

Junior Rankings and Standings Regulations

- I. Year End Ranking Requirements-** Year end rankings are the final ranking of players for any given calendar year. A singles player or doubles team may achieve a year end Iowa District Ranking by participating in a **minimum of 4 tournaments** in the Iowa District with one (1) win. Year end rankings are calculated on players' best five (5) tournaments, and a minimum of 4 tournaments. Doubles will follow the same ranking requirements of 4 tournaments and it will be an individual doubles ranking. Only the points in a specific age group will count towards your ranking. Any tournament played in the Iowa District will count towards your year end ranking.
- II. ITA Standings list-** Standings are the current order of players at any given time of calculation. Singles and doubles standings will be posted weekly at www.iowa.usta.com. Standings will include all players who have accumulated at least one (1) ranking point. Standings are calculated on a player's best five (5) tournament results during the previous twelve (12) months. The Iowa District Standings list will only include tournaments played in the Iowa District. Points earned in higher age divisions will count towards your standing in a lower age group. Player records should be checked periodically throughout the year. Corrections may be sent to the ITA office at any time, but must be received no later than December 10. A standing cannot be appealed.
- III. Standings and Ranking Considerations:**
- A. Year end rankings and current standings will be calculated on the basis of the points per round system. Ranking points are those points that are awarded based on the points per round table in this book and published on the Iowa District website.
 - B. The ITA will yearly review the points per round table to determine which tournaments shall be included in the standings and rankings, the relative levels of the tournaments to be included, and the number of points to be assigned per round for each tournament level.
 - C. Points earned during the entire calendar year will be included in determining year end rankings. Points earned during the previous twelve (12) months will be included in determining current standings.
 - D. Players earn points for wins in each round of a tournament, determined in accordance with the points per round table.
 - E. If a player advances in the first round due to a default and loses the next round, the player will receive points for the first round win.
 - F. Byes do not qualify as wins.
 - G. Withdrawals, defaults, walkover, and retirements qualify as wins for the advancing player and points are earned for that round.
 - H. A player who is defaulted from a tournament for code violations for misconduct forfeits any points accumulated during the tournament.

2013 Iowa Endorsement Procedure

An Iowa endorsement tournament (Iowa District Closed) will be played in each age division. The objective is to determine the one (1) player in each age division that will be endorsed to play the USTA/MV Segment II Supers and to determine who will represent the Iowa District in the 10's, 12's and 14's Team Events.

The Endorsement tournaments will be limited to 16 players and will utilize the Missouri Valley Standings list to determine the participants based on entries received and the seeding for the events. Players must be current Iowa District USTA members to participate. It is mandatory that the player who earns the endorsement spot must participate in at least one of the 2011 Segment II Supers events in the same age division that they earned the endorsement spot. Players who fail to do so will lose all points accrued at the endorsement tournament and forfeit the right to play the following year's endorsement tournament.

Segments I and III endorsement spot will be based on the most current Missouri Valley standings list at the time of entry. The Iowa District Junior Competition Committee (IDJCC) reserves the right to review wildcard applications for segments I and III. Please submit your application via email to phil-iatennis@hotmail.com 30 days prior to the Super tournament deadline.

*Please note that starting in 2011 each district will now receive 1 endorsement spot for each segment.

If you have any questions or comments about this procedure please contact Phil Williams (Junior Competition Chair) at phil-iatennis@hotmail.com or 319-651-1115.

GETTING READY FOR 2013!

AGE ELIGIBILITY - The Process of Entering a Tournament

(and what this really means)

ALL JUNIOR PLAYERS, competing in **USTA sanctioned events**, you may play an age division **until the month in which you age up**, or, in other words, **until your birthday month**. This means that players who are 12, 14, 16 or 18 years old may continue, to play in their 12, 14, 16 or 18 age division until the month in which they turn 13, 15, 17 or 19, respectively.

For example: A player who turns 15 in October, may play in the 14-and-under age up to and through September 30. Starting October 1, this player must play in the 16-and-under age division.

As in the past, you **may also elect to play in an older age division before you are required** to do so. However, it is **IMPORTANT** that you **consult your Section's rulings to be certain of your eligibility in more than one age division** before making this choice.

Iowa Team Events

The Missouri Valley Section holds team events in the 10's, 12's & 14's age groups. The Iowa District Teams will be determined by the order of finish in the Endorsement Tournaments for each age group. GRIEVANCE PROCEDURES

a. Composition. At the Fall Meeting, the Board of Directors shall appoint a Grievance Committee composed of a Chairperson and two Individual Members of the ITA. No member of the Board of Directors may serve on the Grievance Committee.

b. Powers. The Committee shall be responsible for enforcing the Articles of Incorporation, By-Laws, and Standing Orders of the ITA, MVTA, and USTA. It shall also enforce the Rules of Tennis, and the USTA standards of conduct, fair play, and good sportsmanship. The Committee shall have jurisdiction over any USTA member participating in any District event regardless of the member’s residence. The Committee shall have jurisdiction over ITA members participating in events beyond the geographical limits of the Iowa District.

The Grievance Committee shall not have jurisdiction over any incidences which may arise from participation in the USTA League Programs, including the USTA Adult League Program, the USTA Senior League Program, the USTA Mixed Doubles Program, or similar USTA sponsored programs which have a formal grievance procedure.

The Committee may take such action to resolve a grievance as it, in its absolute discretion, deems appropriate. The Committee may impose fines and suspensions. If the Committee finds that the ITA or one of its committees did not follow USTA, MVTA, or ITA rules and regulations, it may order the ITA and its committees to take specific corrective actions.

c. Filing a Written Complaint. All complaints must be written and filed with the Chairperson of the Committee. The complaints should explain how a person or committee violated the Articles of Incorporation, By-Laws, or Standing Orders of the ITA, MVTA, or USTA. If applicable, the complaint should explain how the Rules of Tennis or the USTA standards of conduct, fair play, and sportsmanship were violated.

d. Notice of Complaint. The Chairperson shall send a copy of the complaint to the accused person or committee. If the accused person is eighteen years of age or younger, the Chairperson shall also send a copy to at least one parent.

e. Decisions by the Chairperson and the Vice-Chairperson. Upon receiving a complaint, the Chairperson, acting alone, may take action on the basis of such investigation as the Chairperson, in his or her absolute discretion, deems appropriate. The Chairperson, before taking action, shall not be required to hold any hearing but may consult with other members of the Grievance Committee. The Chairperson may take any action authorized by this Article, including the imposition of a fine of up to \$500.00 and the suspension of a person for such period as the Chairperson, in his or her absolute discretion, deems appropriate.

In the Chairperson's absence, or at his or her request, the Vice-Chairperson shall have the same powers as the Chairperson to resolve the grievance, including the power to fine or suspend a person.

The Chairperson or the Vice-Chairperson shall promptly notify the person accused of a violation of his or her decision by mail. The notification shall state the Chairperson's reasons for his or her decision. If the person accused is eighteen years of age or younger, a copy of the decision shall also be sent to at least one parent.

f. Appeal to Grievance Committee. Within thirty days after the person penalized receives the written notice of decision, the person penalized may appeal the decision by addressing a written request to the Chairperson for a hearing before the Grievance Committee.

It may impose any additional penalties (including assessing the costs of the hearing) that it deems appropriate. The Committee shall promptly prepare a written finding of facts. The Committee shall promptly notify the person charged of its decision by mail and shall include its findings of facts.

h. Original Hearing before the Grievance Committee. The Chairperson, instead of acting on a complaint under paragraph "e", may hold a hearing before the full Committee and have it render a decision.

i. Appeal to Executive Board. Within thirty days after the person penalized receives the written notice of the decision of the Grievance Committee, the person penalized may appeal the decision by addressing a written request to the President of the ITA for a review of the Grievance Committee's decision by the Executive Board.

After receiving the written request for such a review, the Executive Board shall promptly review the findings of fact and the decision of the Grievance Committee. The Executive Board shall not be required to hold any hearing and its decision may be based entirely on the finding of fact of the Grievance Committee. However, the Executive Board may hear further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. The Executive Board shall have the power to affirm, modify, or reject the decision of the Grievance Committee, but may not impose any harsher penalties.

Following its review, the Executive Board shall promptly notify the person penalized of its decision by certified mail. The decision of the Executive Board shall be final and binding, unless the penalized person is granted an appeal before the MVTA or USTA Grievance Committees, and the penalty imposed under the ITA Grievance Procedures is modified or reversed by the MVTA or USTA Grievance Committees.

j. Emergency Grievance Procedure. Complaints that the Chairperson deems to require immediate action may be filed by telephone. Until a written complaint is received, the Chairperson may decide only that portion of the matter that the Chairperson deems urgent. The Chairperson shall act on the basis of such investigation as the Chairperson, in his or her absolute discretion, deems appropriate. The Chairperson shall act as soon as possible. The Chairperson may notify the parties involved of his or her decision by telephone. In the Chairperson's absence, or at his or her request, the Vice-Chairperson shall have the same power to act.

Any person aggrieved by the Chairperson's action may appeal to the Emergency Grievance Appeal Board. This Board is composed of the President of the ITA and two of the Vice-Presidents of the ITA. Two members of the Emergency Grievance Appeal Board shall constitute a quorum. The aggrieved person may appeal to the Board by telephone to the President of the ITA. If the President is unavailable, then the aggrieved person may appeal by telephoning any member of the Emergency Grievance Appeal Board. The Board may meet in person, by telephone conference call, or by a series of telephone calls. The Board shall act on the basis of such investigation as it, in its absolute discretion, deems appropriate. The Board shall have the power to modify, affirm, or reject the Chairperson's decision. The Decision of the Board shall be final.

k. Effective Date of Disciplinary Action. Actions taken under the Emergency Grievance Procedure shall be effective as soon as the decision of the Chairperson, or in the case of an appeal, the decision of the Emergency Grievance Appeal Board, is rendered.

All other penalties imposed by the Chairperson, the Grievance Committee, or the executive Board shall be effective on the thirtieth day following the mailing of the written decision to the penalized person, unless that person utilizes the appeal procedure.

l. Fines. All fines shall be payable to the ITA.

m. ITA's Right to Appeal. The ITA, its officers and its committees shall have no right to appeal.

Exhaustion of Administrative Remedies
