To be ranked in Northern Michigan is an honor—it means you are one of the best players in our District and as such you represent our district, your community, your family and most of all yourselves. Our reputation for sportsmanship precedes us and even this past year our 14 and under Wightman/Davis Team came home with the sportsmanship award. We salute your games, your sportsmanship and you.

Congratulations!

Our ranking criteria remain the same for 2008:

• Three tournaments in Northern Michigan OR
• Two tournaments in Northern Michigan and either the Midwest Open or Midwest Closed OR
• One tournament in Northern Michigan and the Midwest Open and the Midwest Closed

Please note that Junior Wightman Cup and Junior Davis Cup matches only count in the 18 and under division. The exception to this rule is of course the 14 and under Cup Team and if two juniors of the same age division compete against each other, the match will count in the age division of the players.

To find your 2007 ranking in either Northern Michigan or the Midwest please follow these steps:

• Go to northernmichigan.usta.com and click on juniors tab
• Click on USTA Midwest Section rankings Page link in center of text.
• Choose Midwest Northern Michigan, year 2007, division you wish and final ranking under list type. Click find it.
• Click on Northern Michigan final ranking.
• To see your District record, click on your name. If you have a Midwest ranking and click on your name, your entire record will be seen. If at any time you see a discrepancy in your record, please contact Brett Barnett, Ranking Chair for Northern Michigan at bbarnett@gtresort.com, or Greg Boyd, Ranking Chair for the Midwest Section at greg@midwest.usta.com

USTA Adult Leagues 2009 Continued
Rebecca Rogers, Northern Michigan Tennis Association’s “District League Coordinator” for 2009. This yearbook’s “Leagues Section” would not be complete without recognizing and saluting this sincere, caring, detail and people oriented professional. This kind and dynamic individual who took on a very tough job, obeyed the rules, helped develop better ones and delivered our District out of the “Dark Ages” to restore order and reason to the multidimensional recipe for managing our always colorful League Captains and Members during this cornerstone year in NMTA’s League History.

Let not her decision to move on from this organization be a distraction from the praise and appreciation she deserves and if you see her in the future, thank her warmly for her selfless and tireless contribution to the successful repair and improvement of our District League System. Though this is a great loss for us we can trust that Rebecca’s “Handing of the Baton” to her replacement, Vince Szymanski, will be as professional, careful, thorough and effective as her “Class Act” performance has proven.

Thanks Rebecca and “Best Wishes” from all of us in the NMTA Family.

3.0, 3.5, 4.0W, Tri-Level, Johnson Team, (Traverse City) (L-R) Kathi Houda, Sandi Johnson, Mary Lee Bretz, Marilyn Haberman, Linda Stallman and Gay Soupiset.

If you cannot find the Tri-Level Team you seek please check the “Winners Sections” on pages 5 & 6.

Thank You
The 2009 Adult League season for Northern Michigan began and ended at the Grand Traverse Resort and this year, included the brand new “Combo Leagues.” With the specific NTRP (5.5, 6.5, 7.5, 8.5) levels, competition fielded (3) three doubles teams made up of compatible levels, i.e. a 3.0 and 3.5 player would play a 6.5 doubles team or, a 4.0 and 4.5 player would team up against an 8.5 team. Thirteen teams of 6 players each competed at 5.5, 6.5, 7.5, and 8.5’s in both Mens AND Womens Doubles.

1. Ranking Criteria
   a. A player will generate a year end ranking in any age division where they play three District tournaments (or two District tournaments and the Midwest Closed) and in which they have at least one match win. No points are awarded at the District level in the Midwest Closed.
   b. Points are acquired by winning a match in any sanctioned event.
   c. A District ranking will be calculated using the best 5 events from the player’s record during play in the ranking year (and fulfilling the tournament requirements for our District.)
   d. The Northern Michigan District will use the points per round tables posted by the Midwest Section to determine point values earned in all USTA sanctioned events.
   e. The Northern Michigan District will provide 4 points per win independent of a main draw or consolation draw, for any Novice or Satellite tournament played anywhere in the Midwest region.

2. Ranking Timeline
   The ranking year begins on January 1 and goes to December 31 for all divisions.

3. Tournament Levels
   a. The Northern Michigan Tennis Association will use the same point tables as the Midwest section for ease of use to the player. The following is a list of tournaments and the associated level upon which points will be awarded for a district ranking.

   **Level 4:**
   - Our NMTA Qualifier (which now includes 10 and under) is a Level 4 Midwest tournament and a level 1 District event. The Northern Michigan Indoor Junior Championships is a level 4 District tournament and level 6 Midwest.
   - The following tournaments are Level 5 District:
     - The Northern Michigan Junior Open
     - Grand Traverse Junior Open
     - Grand Traverse Spring Classic
     - Grand Traverse Resort Junior Open
     - North Country Junior Classic which is also Midwest level 5.

   **Level 6:**
   - All other sanctioned junior tournaments in the Northern Michigan District.

4. Player Eligibility
   Only players who are permanent residents of the Northern Michigan District shall be eligible for rankings. Players who change their legal residence from one District to another will only be considered for Northern Michigan rankings if their legal residence is in the district as of March 1 of the year under consideration.

   Only persons enrolled with the USTA as individual, life, or honorary members and who are in good standing at the close of the ranking year shall be considered for a ranking.

   A player or team may be ranked in more than one age division provided the individual or team qualified in each age group in which they are to be ranked.

5. Events Considered for Ranking
   The results of all NMTA sanctioned tournaments during the ranking year under consideration shall be considered for rankings.

   In ranking any division, only results from that age bracket may be used for ranking purposes.

   All matches must be the best of three or five sets played according to the accepted USTA sanctioned format which may include use of sanctioned tiebreakers and No-Ad scoring.

   High school and junior high school matches are not sanctioned events and may not be used for rankings. Players must complete a tournament for it to be considered for the minimum number of required tournaments. The only exception is if the player withdraws due to retirement as defined in the Friend at Court Book.

Margaret Jensen, and the Petoskey High School Girls Tennis Team, Have an amazing season. You are all amazing and brilliant women with amazing and brilliant times ahead.

Harry Colfer and Jennifer Jensen-Colfer
The 10th Annual Bob Swanson Memorial Tennis Tournament was held at the Grand Traverse Resort and Spa in Traverse City again this year over the weekend of February 19, 20 and 21, 2009. Though this popular tournament, affectionately called, “THE BOB,” was originally conceived as a gathering to remember Bob Swanson, his friends decided that they should do something more tangible to commemorate the life, philosophies and ideals of a great guy who loved people and playing the game of tennis.

Therefore, each year, scholarships are awarded to qualified high school seniors playing organized tennis within our NMTA District (which includes the northern half of the Lower Peninsula and all of Michigan’s Upper Peninsula).

These scholarships are not necessarily awarded to those student-athletes with the highest GPA or USTA Rankings but, rather to those unique and energetic people who love to play the game of tennis and those who closely embody the character and qualities of Bob Swanson which made him, so special to so many. He was a natural leader with a flair for fun, fair play and good sportsmanship. Overall, Bob was an enthusiastic champion of the sport of tennis.

The committee looks for these “Bob-Like” attributes in each year’s applicants. Our outstanding class of 2009 includes: Aaron Mayes of Elk Rapids, Brandon Arradaza of Eastlake, Kristin Heinrich of Ludington and Krista Tuomela of Iron Mountain. By embodying the attributes that remind us all of our good friend Bob Swanson, these four young people will each receive $1,000 Scholarship to put toward their first year of college tuition.

“The Bob Fund” is supported in part by the proceeds of “The Bob” tournament as well as the direct and generous contributions from the individuals, sponsors and various organizations who understand the positive effect this special tournament has on all of those involved. What began as a “fun time event” has morphed into a tradition that continues to grow in strength of participation as well as in strength of meaning. In fact, over the past 10 years, 42 of these BOB SCHOLARSHIPS have been awarded for a total of $55,000!!!!!

We all thank everyone who participates in the event every year, we are already looking forward to the 11th annual tournament anniversary next winter and we anticipate continuing this outstanding tournament and scholarship program for many, many years to come.

Therefore, those wishing to receive more information about how to become a participant in “The Bob,” as a player, staff, donor, spectator or even just to attend the always fun Awards Dinner, you should contact either Ruth Smith at 231-331-6810 or write to “The Bob Fund” at P. O. Box 35, Alden, MI 49612-0035. Thanks again to Bob’s parents for their continued participation and also to Bob Swanson himself for being a person who deserves such a great event for all of us to celebrate who he was, remember what his life was about and to continue applauding him and his love for all of us who continue to keep his favorite game alive.

The 2009 Northern Michigan Baird Cup Event

The USTA’s Midwest Section’s Marian Wood Baird Cup is a USTA Sanctioned Tournament for females in the Age 18 and Under Division. The event includes 14 teams competing with one team from each of the other 13 USTA Midwest Section’s Districts. Before being renamed the “Marian Wood Baird Cup”

It was once called the “Jr. Wightman Cup Tournament,” the event has been around for close to sixty years and our section is presently the only section that supports this event.

This is a girls 18’s team event. Each district in the Midwest Section selects their own teams and coaches. Pool play which is then followed by a single elimination tournament determines the team championship.

The 2009 Northern Michigan Baird Cup Team

...was represented by 6 young ladies: Abby Tresedder from Kingsford returned for her 4th year, as did Meagan Harrington from Kingsford. Maddy Connick from Traverse City returned for her 2nd year as did Michelle Davis from Petoskey and newcomers this year were Kat Hutchinson from Cadillac and Meagan Grey from Munising.

We saw some fierce competition starting off the tournament playing the returning championship team from the Chicago District. We also played teams from the Central Indiana District, the Northern Illinois District, another Michigan District Team, and finished up with a playoff match against Southern Illinois. We took lots of games off these girls, a few sets even, and the doubles team of Michelle Davis and Kat Hutchinson won their match against Southern Illinois.

In the face of tough matches, hot temperatures, and some bad line calls from our opponents, our Northern Michigan girls held themselves like champions and came home as the highly coveted: Sportsmanship Cup Winners

We also did very well in the talent portion of the competition, placing 3rd in the team cheer event. Very talented girls! We should all be very proud of them, I know I am!

2009 Boys’ 18’s District Team Cup Results

2009 Boys 18’s Team Cup Sets Personal Records

Aaron Mayes, James Van Deinse, and Derek Harrington set personal records as they led the Northern Michigan Boys 18s team to a victory against Southern Illinois in the 2009 Midwest Team Cup competition. The matches took place at Western Michigan University in Kalamazoo, and featured teams from each of the 14 districts of the Midwest Section.

Mayes and Van Deinse got the ball rolling with singles wins in their first matches against the number seven seed, Southeastern Michigan. While the powerhouse teams from Ohio Valley (#1) and Western Michigan (#4) blanked the Northern Michigan Team, Mayes and Van Deinse did give the top seeds a scare—Mayes with a three set loss at number 2 singles, and Van Deinse with a 6-3, 6-4 nailbiter at the hands of the top ranked player in the Midwest, Gregory Andrews.

The tables were turned in the Southern Illinois matchup, however. While Max Lundmark and Mac Hughes fell at number three doubles, Van Deinse and Mayes were able to record their first doubles victory of the tournament, and the team victory was sealed with a doubles win by Derek Harrington and PJ O’Hagan. Harrington, Van Deinse, and Mayes each won their singles matches against Southern Illinois.

The Northern Michigan team almost won an unprecedented second team victory, but fell one match short of Middle Illinois on the final day of the competition. Harrington, Blake Hays, Max Lundmark, and Adam Christian each dropped their singles matches, so despite singles and doubles wins again by Mayes and Van Deinse, and another doubles win by O’Hagan and Harrington, the matchup went to Middle Illinois, 4-3. The drama of the tournament came in this last match as Van Deinse fought past the tournament’s fastest server (143 mph) from Middle Illinois, 5-7, 6-3, 6-3. That win marked a personal best fifth of the event for Van Deinse, matched by five wins by Mayes. In his fourth and final year of Team Cup, Derek Harrington also set a personal record with three victories.

Front Row, (L-R): Fisher Sutherland, Sam Dart, Izzy Pappas, Christie Druskovich, and Katie Raymond.

2009 14's District Cup Results

The District Team Cup for Boys and Girls 14 and under had a great time at Purdue University this past summer. The juniors competed in 4 dual matches against other Midwest Districts. The team competed against Central Indiana (the eventual champs of the tourney) and lost 9-0. We also sustained losses to Northwestern Ohio 7-2, Southeastern Michigan 9-0 and Northern Illinois 7-2. The boy’s roster included Fisher Sutherland, Glen Arbor, Zach Phillips, Harbor Springs, Sam Dart, Harbor Springs and Peter Pappas, Traverse City. The girls team consisted of Kelly Milliken, Katie Raymond, Elizabeth Pappas and Christi Druskovich all of Traverse City.

All team members had a great experience at this high level of tennis and many of these players will be back for next year’s event.

NMTA Fifth Annual Awards Luncheon

THE 2009 NORTHERN MICHIGAN DISTRICT AWARDS PROGRAM

The Northern Michigan Tennis Association’s Annual Awards Luncheon and Annual Meeting was held at Stafford’s Bay View Inn on November 15, 2009 this year where the following were honored:

**Family of the Year Award** is presented to a family in the Northern Michigan District that has at least one Adult and one Junior Member who are actively involved in Playing as well as Promoting USTA TENNIS in our District.

*(L): The Heimburger Family, (Traverse City): Pictured, (L-R): Dave (Father), Caleb (13), Leslie (Mother), Christopher (16), Lauren (19) and Matthew (17).*

**The Junior Sportsmanship Award** is awarded to an individual 18 and under age division female and male player from NMTA who demonstrates the highest standard of tennis accomplishments, character, conduct, sportsmanship, appearance and amateurism.

*(R#1): NMTA Executive Director Margaret Ruemenapp presents Tyler Brown, (Petoskey) with the 2009 Jr. Boys Sportsman of the Year Award and (R#2): Jr. Girls Sportsman of the Year Award recipient, Laura Spencer, (Traverse City).*

**Volunteer of the Year Award** is the distinguished award that goes to the one person who seems to give the most of themselves in time, energy, effort and support to the NMTA's efforts to help promote the USTA and the growth of Tennis in our Northern Michigan District. Paul plays in and is focused on USTA Adult League Tennis, has accepted the chair of the NMTA USTA League Committee and has thoroughly succeeded in strengthening that committee into a working group of dedicated individuals. He has set up day-long workshops centering on strategic and long range planning, grown our program to include Combo, Tri-Level, Senior and Super Senior tennis, was instrumental in bringing Rebecca Rogers in as our DLC and this year has agreed to taking on the position of First Vice President. Can we clone him? Maybe not but we are fortunate to have him in our ranks and due to his dedication to keep our district healthy and growing and keeping our entire process streamlined and fun for everyone, we congratulate him as our 2009 Volunteer of the Year.

*(L): NMTA Executive Director, Margaret Ruemenapp presents the Award to Paul Wieland.*

**The Phyllis Laurila Award** is given only once a year to the individual who has contributed to the development of NMTA and USTA tennis programs from the grass roots level up, for five years or more and we gratefully bestow this year's award to Ellette Nyman.

2009 was a record setting year for both the BNP Paribas Open and the Tri-Level Championships. For the third year in a row, attendance topped 300,000 with a final total of 332,498. This made the BNP Paribas Open the most attended tournament in the world outside of the four Grand Slams. The Tri-Level Championships numbers were equally as impressive. In only its third year, there were 214 players from 18 states representing 14 Sections of the USTA.

On Saturday, October 17, 2009, over $1,000 was raised for the Susan G. Komen Breast Cancer Foundation during the first annual “Rally for the Cure Tennis Tournament.” The event was held at Thunder Bay Rec. Center and Alpena Tennis Association donated court time for the entire evening. Forty players of various skill levels and ages participated in the four divisions of the Round Robin Doubles Tournament:

The winners in each level were:
- **8.0 Mixed**– Marga Decker and Jim Berles
- **7.0 Mixed**– Ashley Giordano and Charlie Giordano (father/daughter)
- **6.0 Women**– Mary Miller and Marian Prieur-Bastow
- **6.0 Mixed**– Nadine Donajkowski and Miguel Gonzalez

Event organizer Nadine Donajkowski thanked the players and sponsors for their generosity. Nadine commented, “Rally for the Cure is a fun way to raise awareness about the importance of early detection to surviving breast cancer. I’m thrilled by the turnout and am looking forward to next year’s tournament!”

Terri Rondeau assisted Nadine in organizing the event and running the tournament. Numerous area businesses donated prizes, food, and advertisements.

Rally for the Cure has spread the life-saving message of early detection to more than 1.2 million participants through their sporting events. Susan G. Komen for the Cure®, is the global leader of the breast cancer movement, having invested more than $1 billion since inception in 1982. As the world’s largest grassroots network of breast cancer survivors and activists, they’re working together to save lives, empower people, ensure quality care for all and energize science to find the cures.

Two teams from Traverse City and two teams from the Petoskey/Harbor Springs community met on Saturday, August 22, 2009 for the District Championship Rally Ball playoff. Each team played each of the other teams twice and the top two scorers moved on to the State Championships held in October at Ferris State University. Northeast Michigan and Western Michigan have traditionally sent 2 teams to this playoff as well.

Chris Michalowski, Director of Tennis at the Grand Traverse Resort, introduced his teams:

Traverse City Assassins: Kamsang Rid-dell, Rory Gabriel, Jacob Harrand and Jimmy Murchie.

Traverse City Rally Raptors: Graham Corcoran, Josh Bradfield, Evan McGee, Tyler Tafelsky and Reece Miller.

Tina Blackman, assistant Petoskey Parks and Recreation Pro introduced her two teams:

Petoskey/Harbor Rally Rockers: Annie Lesky, Gunnar McNamara, Lily Chamberlin, Lauren Bixby, Camryn Diss and Mason Buck.

Petoskey/Harbor Speed Demons: Jordan Blackman, Jacob Bath, Cooper Self, Patrick Mc-Geehan and Sawyer Farr.

The Petoskey/Harbor Rally Rockers took the Championship and returned the traveling trophy to our area with the Traverse City Assassins coming in second.

We’d like to thank Linda Farr, Amelia Farr, Emily Lesky and Kennedy Buck for their assis-tance in counting and feeding balls.

The State Championships were eventually held at Ferris State University in Big Rapids, but neither of our NMTA teams were able to bring home a trophy. BETTER LUCK NEXT YEAR.

A Super Star Among Our Northern Stars

What does the NMTA and MTA have that no other Section has? A “Sue Selke.” Since there isn’t enough room on this one page to do her justice and, because she would be upset if we did, we will try to keep this brief.

Sue Selke is our Tennis Service Representative (TSR) for the State of Michigan. She services those populations in our District that are remote, in their infancy and in general, removed from the population centers of the District. She has enabled several of our smaller and more remote areas to obtain grants, build courts, start teaching-programs and consequently, she has helped to build our District immeasurably.

Sue herself played Big Ten tennis at Michigan State University and was a Big Ten champion. Coming from a tennis playing family, the four Selke Sisters were known quite well on the competitive circuit.

Sue settled into a job with Rick Furman and the Lansing Court One Clubs, she left several years ago to work for the Midwest Tennis Association (MTA) in her current capacity of TSR and has continued to be a tennis success story for NMTA as well as MTA ever since.

Sue still has ties to the “Court One Memorial Tournament for Juniors” which utilizes a doubles format formerly unknown, as well as ties to the Todd Martin Development Fund, and she is constantly putting herself in the very middle of many other tennis functions in Michigan throughout every year.

We are absolutely fortunate to have such a champion for the sport of tennis working with us and giving so much of herself, her seemingly endless energy and unquestionable love for the sport of tennis and for all of us who love to play it.

So, whenever you hear that the Sport of Tennis is Growing in Michigan you can send a fresh sleeve of “Thank Yous” to our one and only Sue Selke.

Thanks Sue, for everything you do.
