WHERE MINOR EMERGENCIES ARE A MAJOR PRIORITY

"I think my thumb is broken, I need an x-ray. Where can I get one?"

"I'm on vacation and I'm sick! What should I do? Where should I go?"

"My child has a deep cut. We need it stitched up fast, but it's a holiday weekend, what doctor will treat us?"

"I'm out of medication and need a prescription refill — who can I see without an appointment?"

Quick Care Walk-In Medical Center is the place to go if you need expert medical attention fast. Located in Petoskey, Quick Care has been servicing northern Michigan since 1990 with its NO APPOINTMENT NECESSARY policy seven days a week, 361 days a year. Take a look at some of the services we provide. You'll see why visitors and locals alike prefer Quick Care Walk-In Family Medical Center for both urgent care and family medicine:

- Treatment for all types of injuries, illnesses and accidents
- Immediate treatment of accidents and other orthopedic injuries (sprains, strains)
- Stitches and all types of minor surgery
- On site x-ray and fracture treatment
- Lab testing

*Closed Easter, Thanksgiving, Christmas, and New Year's Day*

President’s Message

At the end of the 2008 tennis year I stepped down as the president of NMTA. As 2009 progressed I decided to embark on a new adventure. As of August 2, I will be moving to Helena, Montana. As excited as I am about the prospects ahead of me, I can’t help but remember all the positive experiences and friends that I’ve had in Northern Michigan. As I reflect, a good majority of them are tennis related. I fondly remember all the people I’ve met, tennis I’ve played and our times spent within our wonderful association. I am very proud to have been an active member and involved working with so many of you for the past 25+ years.

I will remember the NMTA community and miss all of you. I look forward to new tennis experiences, luckily Helena has an indoor facility. Keep up the good work and keep playing tennis.

Good-bye

Mary Sivula
Past President, NMTA

It's time to
discover
Grand Traverse Resort & Spa

It’s time to discover. Grand Traverse Resort & Spa. We’ve created a bit of heaven right here in our little corner of Michigan, pure indulgence, so to speak. Three championship golf courses, a world-class Spa, sailing and a beautiful view on Grand Traverse Bay are just so much to discover. See for yourself. There’s just so much to discover. See for yourself. See for yourself. grandtraverseresort.com 800.746.0303
1. Ranking Criteria
   a. A player will generate a year-end ranking in any age division where they play three District tournaments (or two District tournaments and the Midwest Closed) and in which they have at least one match win. No points are awarded at the District level in the Midwest Closed.
   b. Points are acquired by winning a match in any sanctioned event.
   c. A District ranking will be calculated using the best 5 events from the player’s record during play in the ranking year (and fulfilling the tournament requirements for our District.)
   d. The Northern Michigan District will use the points per round tables posted by the Midwest Section to determine point values earned in all USTA sanctioned events.
   e. The Northern Michigan District will provide 4 points per win independent of a main draw or consolation draw, for any Novice or Satellite tournament played anywhere in the Midwest region.

2. Ranking Timeline
   The ranking year begins on January 1 and goes to December 31 for all divisions.

3. Tournament Levels
   a. The Northern Michigan Tennis Association will use the same point tables as the Midwest section for ease of use to the player. The following is a list of tournaments and the associated level upon which points will be awarded for a district ranking.

   Level 4: Our NMTA Qualifier (which now includes 10 and under) is a Level 4 Midwest tournament and a level 1 District event. The Northern Michigan Indoor Junior Championships is a level 4 District tournament and level 6 Midwest.
   
   Level 5: The following tournaments are Level 5 District
   - The Northern Michigan Junior Open
   - Grand Traverse Junior Open
   - Grand Traverse Spring Classic
   - Grand Traverse Resort Junior Open
   - North Country Junior Classic which is also Midwest level 5.

   Level 6: All other sanctioned junior tournaments in the Northern Michigan District.

4. Player Eligibility
   Only players who are permanent residents of the Northern Michigan District shall be eligible for rankings. Players who change their legal residence from one District to another will only be considered for Northern Michigan rankings if their legal residence is in the district as of March 1 of the year under consideration.

   Only persons enrolled with the USTA as individual, life, or honorary members and who are in good standing at the close of the ranking year shall be considered for a ranking.

   A player or team may be ranked in more than one age division provided the individual or team qualified in each age group in which they are to be ranked.

5. Events Considered for Ranking
   The results of all NMTA sanctioned tournaments during the ranking year under consideration shall be considered for rankings.

   In ranking any division, only results from that age bracket may be used for ranking purposes.

   All matches must be the best of three or five sets played according to the accepted USTA sanctioned format which may include use of sanctioned tiebreakers and No-Ad scoring.

   High school and junior high school matches are not sanctioned events and may not be used for rankings. Players must complete a tournament for it to be considered for the minimum number of required tournaments. The only exception is if the player withdraws due to retirement as defined in the Friend at Court Book.

CONGRATULATIONS

You Rock!

Love,

Your Family.
The 9th annual Bob Swanson Memorial Tennis Tournament was held at the Grand Traverse Resort in Traverse City the weekend of February 22-24, 2008. Originally conceived as a gathering to remember Bob, his friends decided that they should do something more tangible to commemorate the life and ideals of a great guy.

Each year, scholarships are awarded to qualified high school seniors playing organized tennis within our NMTA district (which includes the northern half of the Lower Peninsula and all of the Upper Peninsula). They are not necessarily awarded to those student-athletes with the highest GPA or USTA ranking, but rather those who love to play the game of tennis and embody the character and qualities of Bob which made him so special to many. He was a natural leader with a flair for fun, fair play and good sportsmanship. Overall Bob was an enthusiastic champion of the sport of tennis.

The committee looks for these attributes in each year's applicants. Our outstanding Class of 2008 includes: Ali Gribi-Traverse City, Derek Harrington-Kingsford, Emily Lelandais-Traverse City, Sarah Malone-Traverse City, Justin Marzinski-Manistee, Erin Wiethoff-Escanaba. By embodying the attributes that remind us of our friend 'Bob', these six young people will receive $1,000 each toward their first year at college.

The Bob Fund is supported by the proceeds of "The Bob" tournament and through direct contributions from individuals, sponsors and various organizations. What began as a fun time has taken on a lot of meaning. In the last 9 years, 38 scholarships have been awarded for a total of $51,000.

We are looking forward to a fantastic 10th anniversary next winter. We would like to be able to continue this unique tournament and scholarship program for many years. Those wishing to receive more information about "The Bob" should contact either Ruth Smith at (231) 331-6810 or write to The Bob Fund, P.O. Box 35, Alden, MI 49612-0035.

Rallyball

The 2008 District Rallyball Championships for Northern Michigan were held at Grand Traverse Resort on Saturday, August 16. Traverse City and Petoskey participated each providing two teams for the round robin competitions. The Traverse City Team Iron Cobras qualified for the Championships by going 17-0 with their opponents throughout the spring. The first and second place teams will continue on to the State Championships at Ferris State University September 20. This year’s winner was the Iron Cobra Team and 2nd place belongs to the Petoskey Breakers – last year’s state champs. Both the Cobras and the Breakers were undefeated in round 1 until they met each other. The Breakers prevailed and now Petoskey was undefeated after round 1. In round 2 both teams disposed of their opposition and then met each other in the match to determine the winner. The Cobras needed to win to tie the Breakers and so they did by one point. With Chris Michalowski as Head Coach for the Traverse City teams and Margaret Ruemenapp as Head Coach for the Petoskey teams, a head to head tie breaker was held and the Cobras prevailed as District Champs winning the tiebreak 10-8. Participants on the four teams were:

- Michael Hegewald
- Jackson Richmond
- Ryan Grombala

**Marian Wood Baird Cup Team 2008**

*Back Row (L to R):* Madeline Connick, Traverse City; Abby Tresedder, Kingsford; Michelle Davis, Petoskey; Megan Harrington, Kingsford; Margaret Jensen, Petoskey. *Front Row (L to R):* Jennifer Jensen Colfer, Assistant Coach; Caitlin Ludlow, Petoskey; Kali Phillips, Harbor Springs; Emily Miller, Harbor Springs; Grace Amalfitano, Traverse City, and Tina Blackman, Coach.

The USTA/ Midwest Section Marian Wood Baird Cup is a USTA sanctioned tournament for females in the 18-and under division. The event includes 14 teams competing, with one team from each of the 14 USTA/ Midwest Section Districts. The 2008 NMTA Team took 12th Place over the Southern and Middle Illinois Teams. Congratulations Girls!

**NMTA Photo Gallery**
For the first time in many years, the Northern Michigan District Cup team won a match against a team other than Southern Illinois! NMTA defeated NW Ohio in their fourth of five matches in a tight and extended match that remained close right up to the end.

The top four singles matches were won by NMTA to seal the victory, but it didn’t come easy. James Van Deinse won 6-3, 6-2 at #1 singles; Aaron Mayes won 6-1, 5-7, 6-1 at #2 singles; Austin Lo won 6-2, 7-6 (4) at #3 singles and Doug Burke won 6-4, 7-6 (6) at #4 singles. But the doubles were played first, and the point went to NWO despite a 8-6 victory by Austin Lo and Riley Chadwell, and a close 8-6 loss by VanDeinse and Mayes. The remaining two singles matches were also nail biters, with Brian Tresedder falling 7-5, 6-2 and PJ O’Hagan losing 2-6, 7-6 (5) and 6-0.

The only other match win for NMTA was Aaron Mayes’ first round victory over NE Ohio, 7-6 (6), 6-4. Derek Harrington, Harry Malone and Will Elliott also represented Northern Michigan at the event. Coaches Tom Van Deinse and Gerry Mayes are excited for next year’s team which will return the top three singles players, James Van Deinse, Aaron Mayes and Austin Lo.
Kelly Van Deinse led the Northern Michigan District Team Cup coed championships with four total wins this summer at Purdue University in West Lafayette, Indiana. She recorded a singles win against Northeast Ohio, and mixed doubles wins with Fisher Sutherland against Northern Indiana and Northern Illinois. Her fourth win was a doubles pairing with Erin Clutter against Northwest Ohio.

Fisher Sutherland also recorded a singles win against Northwest Ohio to go along with his two mixed doubles wins with Van Deinse. Erin Clutter squeeked out a singles win 6-1, 4-6, 10-4 against Northwest Ohio (NWO) to go along with Van Deinse.

Despite the strong showing against NWO, Northern Michigan lost the match 3-4. The 14s format awards one team point for doubles (whichever team wins at least 2 of the 3 matches - one mixed, one girls and one boys), one team point for each boys singles win and one team point for each girls singles win. Northern Michigan was blanked by powerhouse teams from Wisconsin, Ohio Valley, Northern Indiana and Northern Illinois but coaches Joseph and Betsy Van Deinse were proud of the teams' progress and their effort, and hope to have an even stronger showing in 2009.

Chris Heimburger, Max Lundmark, Zach Phillips and Claire Wiley rounded out the team for Northern Michigan.
Northern Michigan Stars

The Northern Michigan Tennis Association announced in early 2008 that Vickie Lampel of Alpena, Michigan, has been awarded the 2007-08 Stan Malless Award. The Award recognizes the distinguished service of a volunteer in his or her District and it especially honors the individual who has contributed to the development of tennis programs from the grass roots up for five years or more.

The 2007-08 Stan Malless Award is proudly presented by the Midwest Tennis Association in honor of Vickie’s efforts to grow and implement tennis, not only in Alpena but all through the District. Her devotion to NMTA, the USTA and enthusiasm for the sport of tennis is an inspiration and she has done a beautiful job of keeping tennis alive and well in Northern Michigan.

We also salute Vickie for her participation in the grand opening of the 4 court facility, yet another milestone of great growth for junior programs and USTA League participants in Alpena.

Congratulations Vickie and thanks for all that you do.

In 2008 Vickie Lampel and husband Don traveled to New York to accept the National Facilities Award during the US Open for the Thunder Bay Recreation Center pictured above.

This poster featured all facilities honored—there were 12 in all.

The National Facilities Award is set up to honor those organizations, such as the Alpena Tennis Association and the Thunder Bay Recreational Center when they offer the public access to leagues, free tennis clinics, a tennis pro, the ability to host USTA matches, Junior Team Tennis, Rallyball and other programs which promote the Sport of Tennis and the USTA. The Members of the Alpena Tennis Association want to encourage other tennis associations and recreation facilities to approach the USTA for a grant in order to further their facility expansions as well by going to the USTA website and applying. If a tennis organization and facility has the required programs, receives the grant and expands their tennis related offerings, the USTA will evaluate those facilities, confirm if the grant money has been put to good use and then they too could become a candidate for the annual National Facilities Award. Congratulations to the Alpena Tennis Association and the Thunder Bay Recreational Center!

2009 was a record setting year for both the BNP Paribas Open and the Tri-Level Championships. For the third year in a row, attendance topped 300,000 with a final total of 332,498. This made the BNP Paribas Open the most attended tournament in the world outside of the four Grand Slams. The Tri-Level Championships numbers were equally as impressive. In only its third year, there were 214 players from 18 states representing 14 Sections of the USTA.

Northern Michigan was awarded the Mixed Doubles State Championship scheduled for September 13-14, 2008. The District hosted 11 teams at 4 levels on the four courts at Thunder Bay Recreation. Our tournament committee consisted of Nancy Butson: District League Coordinator, Vickie Lampel, Margaret Ruemenapp, Mary Sivula, Ruth Smith, (referee) and Paul Wieland. A Grievance and Grievance Appeal Committee was also set up.

Preparations were made to supply gifts to each participant that reflected the wares of the District. We had cherry products from Traverse City, Root Beer that was brewed in Alpena and other gifts as well.

We hosted SEMTA and WMI at 6.0, NEMTA, NMI, SEM, WMI at 7.0, NMI, SEM, WMI at 8.0 and SEM and WMI at 9.0 and what a great kick off this was for a first of many to come in the future!

Rooms were secured and lunches and food made available to players by our host, Thunder Bay and Bryn Lynch, head of officials made sure that all the match times were covered.

Northern Michigan’s teams lost to Western Michigan as did the other Districts but a great time was had by all. Congratulations to Western Michigan in a clean sweep of 4 divisions at the Michigan State Mixed Doubles held in NMI.
