## 2010 DTA Adult Volunteer Awards

The DTA honored four outstanding adult volunteers during the Invest in a Child Dallas Tennis Cup dinner and auction. These volunteers have gone above and beyond to help the organization fulfill its mission of promoting and developing the growth of tennis in the Greater Dallas community.

Rex Cuajunco, Jan Beeman, Kenni Driver and Dave Ware

Jan Beeman received the Invest in a Child Volunteer award. She has been volunteering in the NJTL/ Slam Jammers program and the TLC After School program at JW Ray Elementary school for the last two years. Jan loves working with all ages of junior players and enjoys teaching them sportsmanship both on and off the court. Her hope is to recruit more volunteers to help with these programs so they can continue to grow and reach more children.

The Pro Volunteer Award was given to Rex Cuajunco, Head Tennis Professional and Facility Director at the Village Tennis Center. Rex has served on the DTA's Board of Directors, is a past president of the Dallas Professional Tennis Association (DPTA) and has served on committees for the USTA Texas Section. He has volunteered as a tournament site director and tournament director for the Invest in a Child Dallas Tennis Cup.

Kenni Driver was this year's recipient of the Merle Ellman Award. Kenni is currently serving as the Immediate Past President on the DTA's Board of Directors. She was president for two years and also served as Executive Vice President and Vice President of Communications. She was instrumental in helping develop the organization's strategic plan and updating the by-laws. Kenni has been playing tennis for over 40 years and loves the game. In addition to volunteering with the DTA, Kenni also serves on USTA Texas Section committees.

The Nancy P. Jeffett Lifetime Achievement Award is given to a volunteer who has over 20 years of service to the Dallas tennis community. This year's recipient was Dave Ware, Head Tennis Professional at Brookhaven Country Club. Dave has been on

Brookhaven's staff since 1983, where he developed one of the best junior programs in the state and helped the club win numerous awards including the USTA's 2003 Organization of the Year and the 2005 Top Private Club in America award from the Racquet Sports industry. Brookhaven is used as a site for many DTA tournaments, league playoffs and special events. Dave has always done a great job coordinating the facility usage for these events as well as promoting tournament and league play.

Congratulations to all of our 2010 award recipients. Remember, the DTA is always looking for great volunteers. If you would like to help, send an email to Ngoc Dang at office@dta.org with your contact information and area(s) of interest.

## End of Year Giving Invest in a Child

As you make your year-end donations to your favorite charities, don't forget about the Dallas Tennis Association. The DTA is a non-profit organization, and all donations are tax deductible. So consider a gift to the DTA's Invest in a Child program. Help promote the game you love in our own community, and put a smile on a child's face.

You can donate online through DonorBridge. There is a link on the DTA's website at www.dta.org, or you can mail a donation to the DTA office at 14679 Midway Road, Suite 104, Addison, Texas 75001.

## Memorial Fund Raises Money for DTA's Invest in a Child

In early September, a long time DTA member and USTA league player, Kazy Kurokawa, passed away. His teammates and family set up a memorial fund in his name to collect donations for the DTA's tennis programs for low income, at-risk youth. To date, the **Kazy Memorial Fund** has raised \$5,050 for the Invest in a Child programs. Thank you to all of Kazy's friends and family for your generosity. These funds will help introduce Kazy's favorite sport, tennis, to many Dallas area children.

## From the President

I would like to thank you for reading the DTA newsletter and for being involved with Dallas tennis in some way in 2010. The DTA had a great year in 2010 with the biggest highlight being the opening

of the QuickStart Courts at Kiest Park.

My name is Steve Nolen, and I will serve as president of the DTA for 2010-2011. I am trying to give back time and effort to help repay all the volunteers who helped me while I was playing junior tennis in Dallas during the 1980s in many DTA tournaments and Jr. Excellence programs.

I would like to encourage everyone reading this to please check the DTA web site at [www.dta.org](http://www.dta.org). Look the site over to learn about all of the programming that the DTA has to offer and to learn about all of the Invest in a Child opportunities that are offered through our NJTL programs.

I would like you to consider helping the DTA in at least one way for 2011. Please look at the possible ways you can help, and contact the DTA Office to get involved in any of the following ways.

1. Play in a USTA league this coming year, and invite one of your friends to play as well as someone who has not played in a USTA league in 2009. Having more players in USTA leagues helps promote the game of tennis and helps the DTA have more members.

2. Come attend the 13th Annual Challenger of Dallas \$50,000 Men's International Indoor Tennis Tournament at T Bar M Racket Club February 28-March 6. The DTA Invest in a Child program is an official charity of the tournament, and we are very appreciative of the many ways in which T Bar M supports the DTA with this tournament.

3. Please buy raffle tickets for the DTA Invest in a Child Tennis Cup at the 2011 Challenger at T Bar M.

4. Please donate items for the silent auctions for the Dallas Tennis Cup or Challenger tournaments. We had a fantastic year in 2010 with more money being raised at both events than previously, and we hope to continue that success with your help this year.

5. Please come volunteer for one the DTA sponsored junior tournaments during the year. We have all levels of juniors playing and need your help with running the tournament desks.

6. Donate tennis rackets and lightly used clothing that can be used by our NJTL juniors.

7. Get a friend involved to come with you to one the volunteer opportunities. We hope to get more people involved with DTA every year to keep our board strong and keep receiving fresh ideas from the entire tennis community.

8. Play in the Invest in a Child Dallas Tennis Cup in 2011, and be sure and attend the Friday night party. You will be able to see the difference you are making with our award winning Slam Jammer juniors.

9. Please add DTA as a friend on Facebook, or follow the DTA on Twitter so you can find out pertinent information and help get more people involved with the DTA.

If everyone reading this does just one of the nine things listed and half the people do two things, then we will be well on our way to a banner year in 2011.

We are lucky to have a great staff that wants to help the DTA grow the game of tennis for all players in the area. I look forward to meeting some of you at the Challenger on DTA night at T Bar M March 4, 2011.

Please be sure to come talk to any of the DTA board members or staff at this great event.

Have a Great Holiday!

- Steve Nolen

## Annual Fundraiser a Big Success

The DTA's 9th annual fundraiser with the Dallas Professional Tennis Association (DPTA), the Invest in a Child Dallas Tennis Cup, was a great success! This year's event looks to raise well over \$60,000 for the organizations. (Final numbers are not yet available.)

More than 300 attended the Friday night dinner and auction. Everyone enjoyed hors d'ourves, beer, wine and an Italian dinner along with music from DJ Mike Hudgens and an awards program emceed by Scott Murray. The centerpiece of the event was the silent auction and wine tree that greeted everyone just as they walked through the doors. (A big thanks to Tamara Schumacher-Konick's auction committee!)

Halfway through the evening a live auction was held that included trips to Wimbledon, the US Open and Hawaii. The only thing more exciting than the bidding was seeing the Texas Rangers win the ALCS on a big screen set up in the back of the banquet room.

The Saturday team tournament was interrupted by rain, and in some locations, tornado sirens. No Dallas Tennis Cup champion was crowned that day, but the tournament was rescheduled for Saturday, December 4th. We will publish the results in the next newsletter.

Thank you to all who attended, volunteered and donated to this fundraiser. Money raised will provide tennis and education programs for low income, at-risk children in the greater Dallas community.
