

Director of Racquet Sports/Head Professional

Spring Brook Country Club, located in North New Jersey is seeking a Head Professional. The successful candidate will have both on court as well as off court responsibilities. On court responsibilities will include instruction for adults and juniors of all ages and abilities including instruction for men's and ladies inter-club teams. The tennis and paddle tennis operation includes competitive, instructional, and social programs for the Membership. The Club is committed to providing exceptional member service in all of these areas. Continued development of the programs and the enhancement of the instruction at the Club is a primary goal for the Head Professional. The Club has just completed a successful membership drive and now has the largest membership census in its history. With the influx of new members and their children, we are also seeking to establish a robust Junior program that will enhance the experience for juniors through High School age.

Facilities include an 18 hole golf course with driving range and practice area, Golf Pro Shop, Half Way house, Olympic size swimming pool, main clubhouse, four Har-Tru tennis courts and four heated paddle tennis courts, Racquet Pro Shop. The Club is celebrating its 90th Anniversary this year. The Club has a tradition of long term relationships with its employees. The current Head Professional is retiring after 8 years of service.

Date Position Available: March 2012

The ideal candidate must be a certified USPTA or PTR Professional; have excellent human relations skills; demonstrate excellent playing skills; have experience in developing and staging intra-club and inter-club events; be a master stringer; and exhibit high ethical standards and an appropriate professional image.

Compensation will be commensurate with experience. It will consist of a base salary and benefits package, which includes major medical, dental, life, vision, short and long term disability and participation in the 401(k).

Interested applicants should email or fax resume by January 10, 2012 to:
