Enterprise Rent-A-Car, the official rental car sponsor of the USTA, is pleased to offer a new feature with your Corporate Class account. Effective immediately, you now have the ability to book your reservations for business travel on our website! To use this new feature, please follow these steps:

- Go to [www.enterprise.com](http://www.enterprise.com)
- Click on the Corporate Class Reservations icon
- Enter the USTA's **Corporate ID#- [NA24TT1](#)** and you can make a reservation anywhere in the country. The three digit **pin code** is "**[UST](#)**"
- Follow the instructions on the website to book at a location of your choice anywhere in the country or call toll free: 1-800-593-0505 and give them **Corporate ID#-[NA24TT1](#)** – and the pin code "**[UST](#)**"
- When you arrive to pick up your car, just show your drivers license and credit card, and give your confirmation number

Enterprise Rent-A-Car is currently on-site at over 60 airports nationwide, and serves every major airport in the country. Our airport locations are typically priced 10-20% lower than other rental car companies. When using your local corporate account outside Boca Raton, you will receive an additional 10% off the current rates at airport locations. If you are renting at a non-airport location, you will receive the standard corporate rates for that region. These rates will be given on-line for your convenience.

We hope that by offering this feature to our local Corporate Class members; you will give us the opportunity to serve your travel needs outside your local area. We look forward to seeing you soon!

***The information above is current as to the USTA's corporate ID number and the pin code. Please feel free to us this information in order to receive any discount offered by Enterprise!***
