To be considered for placement in Texas Section Super Championship Divisions in Super Championship Major Zones, you must be currently listed:

- Within the top 500 of USTA National Standing List **OR**
- Within the top 25% national ranking from a foreign national federation **OR**
- Within the top 500 of ITF rankings in the current or immediate younger age division.

Players who could not meet the criteria listed above and are highly ranked in their home Section, may apply to compete in the Super Championship Division in other sanctioned tournaments in Texas.

The completed application, a notarized copy of the player's Birth Certificate, along with acceptable documentation, **MUST** be received by the Texas Section Office **2 weeks prior** to the entry deadline of the tournament which the player wishes to enter. Application submitted without complete documentation may delay the approval process.

Acceptable documents are

- Official USTA Standing List
- Official ITF Ranking List
- Verification on letterhead of a foreign federation that the player fulfills required ranking percentages.

If you wish to apply for approval in more than one age division, you must indicate both divisions on the form.

If accepted for placement in the Super Championship division(s), this placement is good until you age out of the approved division(s). If continued placement is desired for the next age division, a new application, with supporting documents, must be submitted.

Completed application with supporting documents
must be either mailed or faxed to:
