

PACIFIC NORTHWEST

2012 USTA Pacific Northwest Travel Assistance Grant Application

The purpose of the USTA Pacific Northwest (USTA/PNW) Travel Assistant Grant program is to provide need-based financial support to players who would not otherwise have the financial means to travel and participate in national tournaments. Players participating in national championship tournaments may complete this application to apply for a need-based Travel Assistance Grant.

Requirements (If you do not meet both requirements your application will NOT be considered)

- The main criteria used by the Travel Grant Review Committee will be the overall financial need of each applicant. Financial need will be defined as an applicant that has a family gross income of \$25,000 or less per person within the applicant household.
Applicant must commit to volunteer during one of the section's junior tennis events listed below. In considering a travel grant application, the review committee will examine the player's as well as the parents' willingness and ability to volunteer.

Please note that applying for a travel grant does not guarantee you will receive financial assistance. USTA/PNW Travel Assistance Grants are to be used for travel and tournament expenses for the player only and may not be used for family members, coaches, or for other purposes. Players are required to provide supporting documentation of expenses to the USTA/PNW office within two (2) weeks after returning from the national tournament for which a Travel Assistance Grant is awarded.

Player's Name Birth date Age M F
Address City State Zip
USTA # Expires E-mail Address
