

EARLY START RATING APPEALS

If your name is not on the list then you still have your Year end rating from 2011 (Found in find A NTRP Rating on TennisLink)

If your name is on the list and you wish to appeal...You can ONLY appeal DOWNWARD during Registration for an Early Start League.

Do NOT use FIND A RATING to appeal (unless you did not play Adults or Seniors in 2012).

If you happen to have already registered for your team...then decide to appeal...follow the same instructions in number 3....BUT if granted, your rating on your roster will not automatically change and you will have to write to leagueappeals@pnw.usta.com to have it changed.
