TENNIS PROVIDERS IN SOUTHERN CALIFORNIA TO HOST A USTA TENNIS PLAY EVENT DURING MARCH IN CELEBRATION OF WORLD TENNIS DAY

Over 30 tennis facilities in Southern California will host a USTA Tennis Play Event in celebration of World Tennis Day, a nationwide effort to get kids excited and active in tennis. During the month of March, the USTA will invite families and kids of all ages and skill levels to try tennis at local events and facilities across the country—encouraging kids to get on the court and in the game.

Studies have shown that an early, positive experience in sports is vital to combatting physical inactivity and creating a lifelong commitment to an active lifestyle. More than a thousand facilities will host USTA Tennis Play Events this March, each showcasing how fun and easy it now is for families to get into the sport. These events will allow parents to sign up their children for spring and summer tennis programs.

“USTA Tennis Play Events provide an opportunity to engage children in a fun environment, as well as inspiring them to love physical activity and sports for life,” said Kurt Kamperman, USTA Chief Executive, Community Tennis. “These efforts are part of USTA’s strong commitment to making it easier for kids to get into the game—and stay in the game.”

Local USTA Tennis Play Events are listed below, or visit youthtennis.com for more information.

USTA Southern California, one of 17 regional sections across the country that comprise the United States Tennis Association (USTA), is a not-for-profit organization committed to promoting and developing the growth of tennis and increasing participation in the sport in Southern California by offering quality recreational and competitive programs for people of all ages and abilities.
