

July 25— 31, 2011—UCLA

S I G N A G E

Signage provides sponsors with exceptional exposure to a very desirable audience. Endwall and sidewall signage on stadium court also provides sponsors with significant television coverage during tournament play. Signage is also available above stadium court, delivering added sponsor visibility. This type of exposure on a nationally and internationally televised event further solidifies the unique association between the sponsor and this world-class tournament.
