

USTA Arkansas Resurfacing Grant

Purpose:

Funding provided by the Arkansas Tennis Association to assist communities with the cost of resurfacing existing courts.

Requirements:

- The applicant facility must be either public courts or courts that are open to the public
- The applicant must send a written request for the resurfacing grant including the number of courts and a proposed budget to eden@arktennis.com
- Complete a Facility Assistance Form and submit to the USTA to notify them of your project timeline and needs. This form is available at www.usta.com/technical

Amount:

USTA Arkansas will match up to 25% of the investment the facility makes toward the total cost of resurfacing the courts capped at \$5,000. After filling out the Facility Assistance Form, USTA will contact you to begin the USTA national resurfacing grant process separately.

Reimbursement:

After the project has been completed, pictures of the completed project and final contractor's invoice have been received, USTA Arkansas will reimburse the local facility for the amount of the grant.
