

USTA Arkansas Special Grants

Purpose:

Assistance provided by the Arkansas Tennis Association to assist communities with running tennis programs to ultimately promote the growth of tennis.

Requirements:

- The applicant must send a written request for the special programming grant including the name of the program, proposed dates of the program, length of the program, demographics targeted and the assistance needed to eden@arktennis.com
- If the assistance needed is monetary, please also send a proposed budget for the program along with your written request
- If the assistance needed is equipment or personnel to help with a particular program, please specify what is needed

Amount:

The Arkansas Tennis Association will work with each special programming grant applicant on an individual basis regarding the amount to be given.
