Thank you to all the advertisers in the 2013-14 Mid-South Illinois Tennis Yearbook. If you see them or use their services, please thank them for their support of MSITA.
In Memory of Doug Lintala

The tennis community lost one of its best supporters when longtime teaching pro Doug Lintala passed away in January. Doug was head tennis pro at the Country Club of Hudson, Ohio, until 1984, when he was brought in as tennis director at the Springfield Racquet Club. He moved to Peoria in 1988 and began a 25-year career at Clubs of River City. He was an advisor to the Journal Star’s annual Tri-County Tennis Tournament.

He was President of the MITA from 1998-1999, and served on the MITA board for many years. He was serving as an MSITA Organizational Delegate and Chair of the Junior Competition Committee until his death. He will be missed!

We need volunteers for the Illinois State Fair!

Two thousand thirteen was our first year to have a booth at the fair. It exceeded expectations! We just needed more volunteers. Those volunteering will get a free pass to the fair and can park at the site. I loved working with the kids and their parents. Many of them had never played tennis before, and knew nothing of the USTA programs.

I thank all of the volunteers who make this organization possible. There are numerous volunteer opportunities in the USTA Leagues and the USTA Junior Programs.

Please consider volunteering to be a Captain (the backbone of our tennis leagues), Local League Coordinator, Board Member, Junior Area League Coordinator, or JTT Coach. If you are not sure what these positions require, contact one of our MSITA Board Members, Executive Director Patty Bramlet, or District League Coordinator Joann Blair.

This is my last year as President of MSITA. Dick Muston will be assuming the position of MSITA President in 2015. Dick and his family were awarded the Family of the Year last November at the MSITA Annual Awards program. Their family has a long tennis history. Dick and his wife Shirley were instrumental in starting the Boy’s and Girl’s tennis programs in Robinson, Illinois. Dick coached high school tennis for 30 years and received a 25-Year Coaches’ Award from the Illinois High School Tennis Coaches Association. He held a number of positions in the SITA: President, Vice President, Executive Director, and Junior Davis Cup Coach.

I look forward to working with Dick as our next MSITA President.

Thanks to Patty Bramlet and Joann Blair! They have been great to work with and are tireless workers. They have done so much to grow our USTA Programs in MSITA.

I enjoyed getting to know those serving on the MSITA Board of Directors and the many committees. Thanks to all of you for your valuable time and ideas during the exciting changes we went through in MITA/SITA/MSITA.

Thanks to our MSITA sponsors listed in the yearbook; let them know you saw their ad and also thanks to Laser Images and Caroline Kewney for the dedication, professionalism, and volunteer time spent in the production of the MITA/MSITA Yearbooks.

What is 10 and Under Tennis?

10 and Under Tennis is tennis designed and structured for kids to learn, rally and play quickly and in a way that is both enjoyable and rewarding, based upon the QuickStart Tennis play format. First and foremost, children stay with sports because they are fun. Tailoring equipment and courts so they are “right-sized” for those 10 and under makes the game more accessible—and more fun—by allowing kids to get involved right from the start.

With 10 and Under Tennis, there is no more waiting in lines to hit the ball, and no more frustration at not being able to rally over the net. Instead, kids will enjoy playing the game right away and keep coming back for more—developing a lifelong passion for our lifetime sport.

10 and Under Tennis Programs

Midwest Youth Team Tennis is the largest youth tennis program in the Midwest. It has been developed to give children the opportunity to play tennis as a team sport just like other youth sports. The Midwest Youth Team Tennis program uses a modified format called QuickStart Tennis. Everyone plays, everyone has fun, and everyone wins! Find A Program Near You

A Tennis Play Day is a great way for kids 10 and Under to play tennis in a fun, non-threatening, non-elimination, competitive environment. Over the duration of a few hours, a Play Day allows kids to experience serving, rallying, and scoring in an informal competition.

10 and Under Junior Tournaments
Tournament play is offered for kids looking to get involved in competitive tennis opportunities. These tournaments incorporate the use of all the elements of the QuickStart Tennis play format.

About USTA Jr. Team Tennis

USTA Jr. Team Tennis brings kids together in teams to play singles, doubles and mixed doubles against other teams. It promotes social skills and important values by fostering a spirit of cooperation and unity, as well as individual self-growth. Also, it’s a fun environment for kids in which they learn that succeeding is really more about how they play the game – win or lose.

How does it work?

USTA Jr. Team Tennis is designed for kids ages 5-18. They are immediately placed on teams. All you need to start a league are two teams. Matches can be held anywhere from a local park or school to a commercial or private club. Teams are preferably co-ed but can also be single gender (boys only or girls only). They are divided by the following age and play levels:

**Age Groups:** 18U, 14U, 12U, 10U and 8U

**Play Levels:** Beginner, Intermediate, Advanced

USTA League is the country’s largest recreational tennis league, helping more than 800,000 participants nationwide get on the court, have a good time, and step up their game in a supportive and competitive team setting. The action is exciting from first serve to match point, with a social atmosphere you won’t find on any other court.

Teams are set up according to NTRP ratings, so teams are assured they always will be facing off against someone of comparable ability.

Teams are made up of a minimum of five to eight players, depending upon Division and Age Group, and the very best at the USTA section level can earn a shot at travel, high-stakes tennis, and a national championship each year at renowned facilities that have hosted ATP, WTA, Davis, and Fed Cup events.

Competition is always lively and the atmosphere social, and as part of a team, there is a built-in support entourage that few pros can match.

Whether a beginner or a pro, Mid-South has a league for all levels of play.
