

# **DON'T MISS OUT**

## **See Mike Barrell and other 10 & Under Experts**

### **September 26-27**

#### **IMPORTANT INFORMATION**

The Velocity 10U Conference is quickly approaching and we need to make you aware of a few important items:

- Julio Godreau and Laramie Gavin, two excellent presenters and experts in the 10U field of development who are working closely with Mike Barrell and Evolve9, will attend and be presenting.
- We encourage everyone to register at [www.evolve9.com](http://www.evolve9.com) as soon as possible as we have a limited hotel block and they can't hold the rooms much longer due to an LSU football game that weekend. There are still plenty of rooms available at other hotels through websites like [www.hotels.com](http://www.hotels.com) or via hotel rewards programs you may have.
- This workshop will serve as the USPTA Louisiana State Workshop for 2014. 3 educational credits for attendance. Additional credits through the APC program during the workshop at 1/2 point per hour.
- Please contact Bill Phillips at [phillips@sta.usta.com](mailto:phillips@sta.usta.com) or at 337-849-5821 with questions or concerns. We want this to be a great educational experience for everyone. Please see the message below for details.

*The USPTA Louisiana Chapter, in partnership with USTA Louisiana is presenting the most comprehensive 10 and under education opportunity to date at Bocage Racquet Club on September 26-27.
